Principal's Report

Dear Families and Friends,

We were so fortunate to be part of a wonderful day at Middle Dural Public School, joining with 4 other small schools to experience a variety of engaging activities. Our students participated in Oztag with professional footy coaches, drama activities with an actor from NIDA, and science based activities using electricity with a teacher who trained as an electrician (he knows his stuff!).

The event was the initiative of our very own Mrs Date and was extremely well organised, with everything running smoothly and efficiently. We were so grateful to be able to be part of the day, it's wonderful to supplement our own rich learning program with experiences that allow the children to mix with others from nearby schools, As you can see by the faces of our students, they had a great day!

Thank you Mrs Date and all the other principals from the small schools, who put so much time and care into organising such a great day for us all.

Kind regards.....Sarah

HARMONY WEEK

Last week, our students celebrated Harmony Week, a special time to think about and appreciate the diversity in our community. The children enjoyed listening to cultural stories and had the chance to share their own insights and experiences. They also took part in a fun art activity.

Since the colour orange is the main theme of Harmony Week, representing communication, respect, and sharing ideas, the week ended with a tasty treat: orange jelly made with love by Mrs Butler.

MACDONALD VALLEY

TERM 1, WEEK 7

Thank you to the parents who were able to find orange clothes for their little one to wear this week. We had lots of fun learning to recognise the colour orange and also learnt about the importance of including everyone and nurturing a sense of belonging for all people. The children enjoyed listening and dancing to world music, matching faces from different cultures around the world, listened to stories about different cultures and created a beautiful orange artwork together.

HENLEY THE HEALTHY HOUND

Henley has arrived at Day Care and Logan was the first to take him home for some fun. Henley enjoys visiting with different families from Collective and having new healthy experiences. Each family will have the opportunity to take him home for an adventure.

Macdonald Valley Public School is willing to support advertisements for local businesses and community functions for our youth, however parents will need to assess for themselves the quality of products and services advertised and the suitable management of functions attended by their children.

MAC VALLEY STARS!

We are very proud of our students' achievements in external events and competitions and are committed to recognising their achievements, however, this cannot happen unless we are informed.

Please ring us or send us something in writing if your child or a group of students achieve success in external events so we can recognise their achievements in our weekly newsletters.
