Principal's Report

Dear Families and Friends,

Another storm event, trees down and no power to test everyone's resilience! I am advocating with the Department of Education for the school to have a proper generator installed so we don't need to close at these times, I'll keep you posted!

We have been very fortunate to recently have outdoor fans installed under our verandah making it more bearable to sit outside in summer, and Daycare has had all new fans and lights installed supplied by the Department of Education. In the coming weeks we will have new carpet laid throughout the school. These will be carpet squares so if there is any damage in the future, we can fix just the one area. We are very fortunate to be so well taken care of and to be able to have the school so well resourced and looking good.

This newsletter has many thank yous to our generous friends who help us out in many ways. From wonderful parents such as Vigo who came immediately to grind off our broken padlock to let us into the school, to people who donate toys and books to the children. We appreciate all that we receive and feel very blessed by this amazing support.

Kind regards Sarah

Thank you Vigo!

Inspiring Joyful Learning

This week, our school was absolutely duck-tacular when a couple of fluffy baby Peking ducks waddled their way straight into the hearts of our students (and staff)!

Thank you Mrs Shohani and Jahan for bringing your new babies in to show the children!

Our gymnastics adventures have taken off thanks to a grant from Sporting Schools Australia.

Stay tuned for more twists and turns as we continue to soar!

We're so proud of our gymnasts' courage, enthusiasm, and fearless spirit!

Well done to Eddie and Chelsea on their outstanding results at the recent Annual Zone 26 Pony Jamboree. They represented Macdonald Valley Pony Club winning multiple ribbons and achieving an amazing first place in average point score and 4th place overall! Congratulations to Eddie and Chelsea and also former student Chloe Toomey.

Macdonald Valley Public School is willing to support advertisements for local businesses and community functions for our youth, however parents will need to assess for themselves the quality of products and services advertised and the suitable management of functions attended by their children.

MAC VALLEY STARS!

We are very proud of our students' achievements in external events and competitions and are committed to recognising their achievements, however, this cannot happen unless we are informed.

Please ring us or send us something in writing if your child or a group of students achieve success in external events so we can recognise their achievements in our weekly newsletters.
