

Term 4 Newsletter

Friday 18 October 2024

Welcome back

It has been great to welcome back our existing families as well as induct new members to our Maitland Public School community. October brings us to our last school term for 2024 with a number of activities planned to see the year out. Ensure you are up to date with our weekly "What's On". Our first week has been busy with Stage Two travelling to Sydney, Featherdale Wildlife Park, and Year 5 getting ready for their 2025 leadership experience.

Orientation

2025 Kindergarten students have a number of opportunities throughout this term to visit and familiarise themselves with our school. If you or a family friend are yet to enrol your child, please do so ASAP so that they don't miss out on the exciting activities. The Kindy team have been working furiously under the guidance of Mrs Gurr to make sure this process is seamless.

Class Newsletters

Class Newsletters have also been issued today. We encourage parents to contact your child's class teacher if you have any questions or concerns regarding your child. In order to do this, please either ring or email the school on 49336532 or maitland-p.school@det.nsw.edu.au. Be mindful, that teachers are often on class all day and may have to contact you the following day or during their RFF which is scheduled throughout the week.

Good Luck

Maitland PS had the largest group of students who qualified for regional athletics in our network. These students will be representing our school and giving it their all next week. We wish them the best of luck. Thank you to the P&C who contributed to the cost for families.

News from the office

Medications: Please inform the office if your child has had a change to their medications over the holiday period.

Children being collected early from school will not be called from class until a parent is present in the office. This is purely a supervision issue and we appreciate your understanding for this matter.
