OUR BACK CREEK FLOWING

May Floods

Thank you to all the parents for your ongoing support during the difficult time with the challenging weather and rain. While we were non-operational, our back creek was flowing strong! We are very lucky that our school grounds were unaffected by the weather. We would like to extend our thoughts to all the families who were affected.

ANZAC DAY

ANZAC DAY

We held our ANZAC Day assembly when we returned to school this term. Our leaders did a marvellous job laying the wreath that all the students made from our rosemary. Mr Hudson from the RLS sub branch called in and presented us with a lovely book for the school.

FILM FESTIVAL

Days missed = years lost

A day here and there doesn't seem like much, but...

DUNGOG FILM FESTIVAL

The students have been working hard on their film for the Dungog Film Festival. The film has been written and directed by the students. They have had a full day of filming and are now up to editing their movie. The Dungog Film Festival will be at The James Theatre in Dungog 20th October 2025 for the evening premier. Students viewing will be 21st October.

LET US KNOW IF YOUR CHILD IS ABSENT

The wellbeing of our students is extremely important to us. One way we protect the wellbeing of your child is by fulfilling our responsibilities as both parents/carers and school staff by reporting and monitoring student absences.

Please remember to contact us on 49385239 or 0494378196. This is best done early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly and we can provide appropriate support for you and your family.

COOKING

COOKING

The students thoroughly enjoy their weekly cooking lessons. We cook a variety of main meals and desserts.

This year we celebrated Mother's Day by cooking afternoon tea for our mums. All the mums and grandma's had a wonderful afternoon with their children!
