For Your Information.....

Thank you to all who donated to Stewart House by wearing pyjamas on 3 July. \$210 dollars was raised which is a great effort.

Dear Community,

The school is looking into the prospect of building a bike trail in the back section of the playground. The construction of this facility is going to require the removal of some tree stumps, minor earthwork and acquisition of resources (dirt etc).

If you would like to help with this project can you please contact the office and Mr Copland will assemble a working group and get things underway. If you are able to donate Plant or labour to this project, we would also love to hear from you.

Mr Copland.

Fabulous

Kindergarten have been very busy learners so far this year! In English, we've been learning lots of sounds through our InitialLit program and are now using those sounds to read books, write words and are beginning to even write sentences. In maths, we've been exploring shapes and working with numbers in fun and hands-on ways. We've also been having a great time in art with Ms Barry, learning different techniques to create our very own artworks. One of the highlights of the year was our Athletics Carnival. It was so much fun running in races and playing games with the Year 1 students! We're proud of how far we've come and look forward to continuing to grow in our learning throughout the rest of the year.

Last week Liela N and Harrison M attended the GNFM/Eagle FM studios to record Education Week Promotional snippets for the Goulburn Community of Public Schools (GCoPS). They did a great job and we look forward to hearing them on the radio during Education Week.

On Friday 25 July Marulan Public School leadership group planted a silver banksia donated by the Goulburn Mulwaree Council to celebrate National Tree Planting Day. The Mayor was unable to attend however Councillor Smith attended on behalf of the Council.

**MARULAN COMMUNITY
