School Bins/Recycling

Supervising Teacher Information

- Students are to be supervised at all times.
- MPS staff wear a school key/safety lanyard, as well as a hat when outdoors (as well as ensure students have a hat).
- Clear expectations are given for students to follow Rules and Responsibilities.
- Staff handle food waste/bins carefully during times of pandemic/outbreak (following Infection Control Procedures/using gloves).
- Waste Warriors coordinator retrieves recycling from playground stations.
- Paper recycling (red)/food scraps (green) are placed in the correct otto bin by students, during lunch/recess. This bin will be located at the front of the Canteen (in the Canteen Supervisor's line of sight) during break times.

- ▶ Students receive Class Dojos for demonstrating appropriate behaviours. These are allocated by the MPS teacher electronically, or via letting the child's class teacher know of the achievement/s.

Negative behaviours are recorded on Compass.

These behaviours are shared immediately with the students' next teacher, and via Compass referrals to all Executive, LST, RFF and class teachers of the student.

Health and Safety concerns are reported to the Principal immediately.

School Discipline Policy, PBL Matrix and school values are adhered to.
