| <b>Description:</b>   | <p>Our Term 1 SRC students (K-6) have been invited to take part in a very special community activity this term.</p> <p>On <b>Friday 27th March</b>, students will walk to our local <b>CWA</b> rooms to participate in an Easter cooking session. During this visit, students will have the opportunity to make some delicious Easter treats – not only for themselves, but also to share with some of our elderly community members to help spread a little Easter joy.</p> <p>This is a wonderful opportunity for our student leaders to demonstrate our school values in action by giving back to the community and building positive intergenerational connections.</p> <p><b>Excursion Details:</b></p> <ul style="list-style-type: none"> <li>• <b>Date:</b> Friday 27th March</li> <li>• <b>Time:</b> Depart school at 11:30am</li> <li>• <b>Return:</b> Approximately 2:00pm</li> <li>• <b>Supervision:</b> Mrs Roberts</li> <li>• <b>Cost:</b> No cost</li> </ul> <p>Students will eat their lunch upon returning to school.</p> <p>Students are not required to bring anything other than a water bottle and their beautiful manners.</p> <p>We look forward to seeing our SRC students represent our school with pride and kindness as they spread some Easter cheer throughout our community.</p> |
