| <b>Description:</b>   | <p>Throughout the end of Term 2 and into Term 3, our Secondary support students have been busy creating a variety of handmade crafts, which they will be selling at the Merriwa Springtime Show on Friday, 18 September.</p> <p>On the day, students will walk down to the event at 9:00 am during roll call and will return before the end of the school day. They will assist with setting up the stall, interacting with customers, and managing sales, developing valuable skills in teamwork, communication, and money handling. They will also help with packing down at the conclusion of the event.</p> <p>During the day, students will have the opportunity to visit and explore other stalls. Those who wish may bring some spending money for this. We kindly ask that all students bring their own food and drink for the day and ensure they are dressed in full school uniform.</p> <p>We're excited to support their learning and growth through this meaningful community activity.</p> |
