TERM 3

Vol. 4 AUGUST 2026

Celebrating Education Week

On Wednesday, 5th August our school celebrated the Inaugural Combined SRC Moree Public School Education Week Celebration. The theme for this year is "Inspiring Excellence."

Many of our students attended the Moree Town Hall representing Moree Secondary College to perform and receive awards.

Albert Street, Moree 2400

Faculty Focus - Science

National Tree Day

On Thursday 30 July 2026, Moree Secondary College celebrated National Tree Day, which is Australia's largest tree planting and nature care event.

Students from Clontarf, The Environmental Club, Agriculture and Primary Industry classes all contributed to this beautification of our school.

One hundred Native Lilly Pillies have been planted on our western boundary to grow into a hedge along the fence line.

Work Experience

Weeks 3 and 4 was work experience week, with 40 students from Moree Secondary College participating across 26 different employers; our students got to experience the role of mechanics, librarians, real-estate agents, nurses, administration officers, and much more!

This was a huge opportunity for our students who got a taste of real-world employment and a chance to learn valuable skills outside of the classroom. Moree Secondary College would like to thank all those in the community who support this initiative, and continue to support our students in the variety of workplace experiences and placements they undertake!

Athletics Carnival

Following a wet original date for our annual Athletics carnival we managed to reschedule to a sunny and bright day at Ron Harborne oval in week 7 of Term 2.

The energy was high and House Spirit a standout. Students enjoyed dressing to demonstrate their pride in house colours. With dew still on the ground, the morning kicked off early with the 1500m for our keen middle-distance stars. Speed and agility was abundant with standout performances across the Track and Field events. We ended the day with the Gwydir Gift where the fastest male and female athletes competed against each other for the prestige of being the fastest over a handicapped 100m sprint. Our graduating Class of 2026 supplied us with a range of tasty food options to keep us both warm and nourished. Time-keepers, starters, recorders, age managers and event managers were allocated across the dedicated and capable staff at MSC resulting in a successful day out. Thank you to all staff for making the day great.

Congratulations to the following age champions.

- 12 years girls - Lyla Wilson
- 12 years boys - Declan Fernando-Barnes
- 13 years girls - Ruby-Jayne Hutchinson
- 13 years boys - Max Woods
- 14 years girls - Jaylarnii Cutmore
- 14 years boys - Chase Picker
- 15 years girls - Ruby Couley
- 15 years boys - Lakia Noble
- 16 years girls - Annabelle Honour
- 16 years boys - Jerom Palackathadathil Jinish
- 17+ years girls - Amelia Maas
- 17+ years boys - Rayma Honour

- **End of Term 3 Friday 25 September 2026**

Stay Connected at MSC

Moree Secondary College uses Sentral for Parents app to make communication and administration easier for families. The Sentral for Parents app is a great way for parents to stay connected with the school. You can view our school calendar, newsletters, receive school notices and record absences.

We strongly encourage all parents and carers of enrolled students to download the free Sentral for Parents app on your mobile phone or device. You will need a unique access key from the school to ensure that only you can see your child's confidential information. Please email or phone the school, and we will send your unique access key.

Moree Secondary College

Core Values

At MSC we are respectful learners

- We listen when others are speaking
- We follow teacher instructions.
- We use polite language.
- We treat people with respect.
- We keep our school clean and tidy.
- We respect school property.
- We eat during break times.

At MSC we are safe learners

- We are in the right place at the right time.
- We keep to the left and walk safely to class.
- We sit appropriately in our assigned seats.
- We keep our hands and feet to ourselves.
- We use equipment responsibly.
- We make safe choices.

At MSC we are engaged learners

- We are on time to class.
- We bring all our equipment.
- We try our best.
- We take pride in our work.
- We engage in all learning activities.
- We remain in class until we are dismissed.

OFF & AWAY- WITHOUT DELAY

At Moree Secondary College, we are committed to providing an optimal learning environment by remaining a mobile phone-free school. In alignment with the NSW Department of Education policy, students are required to have their phones "off and away" from the first bell until the end of the school day.

This policy is designed to reduce distractions in the classroom and encourage meaningful, face-to-face social interactions during recess and lunch. By removing the pull of social media and notifications, our students can fully engage with their teachers, focus on their academic progress, and participate more deeply in the vibrant school culture we offer.

We appreciate the ongoing support of our parents and carers in reinforcing these expectations. Should you need to reach your child urgently during school hours, please contact the front office, and our staff will ensure the message is delivered promptly. Together, we are creating a focused, respectful, and connected learning community.

**CALCULATORS ARE AVAILABLE IN
THE SCHOOL OFFICE FOR \$20.00**
