PRINCIPAL'S MESSAGE

Parents and Carers,

Thank you to the families that attended the "Meet the Teacher" event. It was very rewarding for the staff to see lots of parents in their classrooms, especially Kinder families. Teachers put in a lot of time to prepare the information with parents/carers. I hope it was helpful and informative for you. Later this term you will be getting a note to book in for an interview with the teacher about your child's progress. The appointments will be available at various times to cater for working families.

This next message is something I hold very close as one of my values as a Principal and as a person. Every year I take the opportunity to share this with new families so the school maintains it's excellent reputation. Every child and person is entitled to be safe. Everybody, especially children, have the right to feel happy and free to be at school to learn and to grow. At school or any working place, there are a lot of interactions on a daily basis.

Children learn through play, through social interactions, through listening and modelling. School provides the opportunity to manage all kinds of

situations. Students are exposed to the right way to respond to other people and how to be independent and confident, all the while respecting others and being considerate. I want to remind the school community that there is a standard of behaviour that is expected when you enter school grounds. The standards are simple and never change. You respect every student, staff and other community members and if you are not happy about something, you speak to a teacher or come directly to me. The matter will be dealt with and an explanation will be shared. I trust that as adults we can all adhere to this very simple request. I appreciate all cooperation and welcome courtesy and respect at MLIS.

We have lots of events coming up before the end of term, I hope to see you around the school, enjoying things with your children.

A Rieger (Principal)

LEADERSHIP ANNOUNCEMENTS: SRC & Library Monitors

Every year students in Yrs 1 and 2 have the opportunity to be voted in as the Student Representative for their class. As a team, they are the Student Representative Council, **SRC**, and will attend meetings to share their peers views on certain things happening in the school, creating fund raisers and deciding where to spend the money etc. They also speak at formal school events and are supportive of their peers at all times.

Title:	Student Name:	Class:
SRC	Noah and Lujain	1 Yellow
	Yusuf and Zahra	1 Orange
	Junayd and Bianca	1 Sapphire
	Ibrahim and Zaynab	2 Aqua
	Haysam and Ayesha	2 Ivy
	Dean and Evie	2 Gold
Library	Yasmin and Ahmad	2 Aqua
	Shaymaa and Rayan	2 Ivy
	Aisha and Gabriel	2 Gold

Library monitors are also selected to assist with the running of the library. Next semester another group of students will be selected to assist in the library. Usually Yr2 students are monitors and are very helpful to Mrs Grover.

Congratulations to all the students taking on leadership roles in 2025. Yesterday at the morning assembly these students were presented with their badges. A proud moment for the parent/carers who joined us. **Please Note:** I can't publish the photos yet as not all families have returned their 'Permission to Publish' notes. Parents/carers, please come and get another note if you need to, it's nice to be able to share photos in the newsletter of achievements.

Congratulations to **2 Aqua** and **K Purple** who are our winning classes for attendance this fortnight! Enjoy your extra time on the fort!

Please Note: Children should not be picked up early nor dropped off late unless there is a very good reason. School attendance is critical to your child's success not only in the short term but life long. Reasons such as, slept in, going to meet family for lunch, in the area so picking up early...are not justified reasons for partial attendance. We need your support to make attendance important! Please help.
