Returning to MLIS 2026 Yellow Note -
please return to office.

ES1 'Zing Activ' Gymnastics
Permission Note and Payment

Athletics Carnival Permission Note

PRINCIPAL'S MESSAGE

As we come to the end of Term 3, I'd like to reflect on what a fantastic term it has been for our students and school community. I hope the events and experiences you've been part of have been enjoyable and memorable. At Mount Lewis Infants, we plan activities that boost student motivation and engagement, helping them feel excited about school and achieve their best. It's been wonderful to hear students excitedly share their experiences, from Public Speaking and Open Day performances, to dressing up for the Book Character Parade, going on excursions and participating in Science Week activities. These, along with the many meaningful everyday moments, are what make our school so special.

Last week, Stage One had a fantastic time visiting the Sydney Tramway Museum. The students enjoyed exploring the old trams and discovering how people used to travel around the city many years ago. Being able to see and travel in the trams made history come alive, turning learning into a fun adventure. The children asked lots of questions, worked well together and showed great curiosity throughout the day. This excursion was a great way to connect with local history and enjoy learning outside the classroom.

Looking ahead to Term 4, we have the Athletics Carnival, the Dance Concert at Bankstown Sports Club, Year 2 Transition and School Swimming program, and Kindergarten 2026 Transition. We look forward to celebrating student achievement on Presentation Day and sharing Semester 2 reports. It will be a busy and rewarding term as we continue to support our students in their learning and growth.

We are excited to welcome back our principal, Mrs Rieger, tomorrow and look forward to her return. We also wish all our families a safe and happy holiday break, and look forward to seeing everyone refreshed and ready for Term 4.

Ms Ferguson (Relieving Principal)

MLIS Public Speaking Competition

Congratulations to all students who took part in our School Public Speaking Competition. It was a great success! Each class winner spoke with confidence and creativity, and we are so proud of everyone who participated. Learning public speaking skills at a young age helps build confidence, critical thinking and clear communication which are all valuable skills for lifelong learning.

A special congratulations to our ES1 winner, Alina, and our Stage 1 winner, Shaymaa. We wish them the very best of luck as they represent our school at the Chullora Network Public Speaking Competition today!

Maths Parent Workshop

Thank you to everyone who attended our recent Maths Parent Workshop! We were pleased to welcome 27 parents who joined us for an engaging and practical session. A big thank you to Ms Ball for leading the workshop and sharing so many useful, hands-on strategies to support maths learning at home.

We look forward to welcoming even more of you at future events!

SRC Pyjama and Movie Day

The SRC Pyjama and Movie Day was a fantastic success, with great participation from both students and teachers.. It was a fun and relaxing event, with students and teachers enjoying the chance to wear their pyjamas, watch a movie together and enjoy some yummy popcorn. The SRC are excited to buy more games and equipment for the playground with the money raised from this event.

ATTENDANCE: Every Day Counts

Attendance Weekly Winners

Term 3, Week 8

Gold	2 Aqua	95.66%
Silver	1 Sapphire	94.35%
Bronze	K Lavender	93.73%

Term 3, Week 9

Gold	K Red	97.72%
Silver	1 Orange	95.94%
Bronze	2 Aqua	95.30%

Congratulations to **2 Aqua** and **K Red** who are our winning classes for attendance this fortnight! Enjoy your extra time on the fort!

Attendance Awards This Friday!

This Friday, MLIS will celebrate students with 100% and 90% attendance! Students should be proud and a big thank you to parents too. It's a team effort to get to school on time each day.

Next term, let's aim to improve partial attendance by avoiding unnecessary early pick-ups and reducing late arrivals with a bit of extra effort. Thank you for your continued commitment!

PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments.

This week's school value is:

Presentation for students is on Tuesday 14 October, 2025.

HONESTY

At MLIS we show honesty by:

- telling the truth
- taking responsibility for our actions
- playing fair

CALL TO ENQUIRE

On Wednesday 17 September, students in Stage One had a great day out on their excursion to the Sydney Tramway Museum at Loftus.

We learnt about how trams have changed over the years, what they were used for, and even went for a few tram rides!

Some of the trams at the museum are over 100 years old!

KINDERGARTEN'S WILD ADVENTURE AT SYDNEY ZOO!

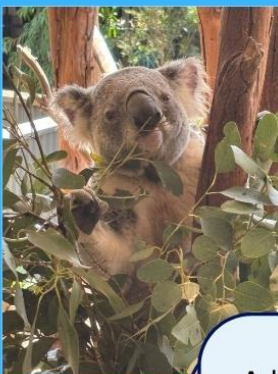

In week 8, our Kindergarten students had an unforgettable day exploring Sydney Zoo

The children loved learning about the animals' habitats, what they eat and how they are cared for

It was a day full of curiosity and discovery - sparking a love of animals and the natural world

A highlight was watching the lions roar, seeing the elephants use their trunks to spray water. We also spotted a sleepy koala nestled in the trees.

Thank you to our wonderful Kindergarten teachers who made this adventure possible
