PRINCIPAL'S MESSAGE

Parents and Carers,

Welcome to Term 3. It is indeed the term where the students are involved in many experiences and events and the community are invited to be part of everything as well. Please look carefully at notices/invitations/reminders/calendars so you can plan ahead and be involved if you possibly can. Last term we ended the term with PBL Fun Day and Attendance Recognition. All students who have improved their personal attendance are to be congratulated and continue to strive for an even better result.

Next week we are celebrating Public Education at Mount Lewis Infants. We are holding an Open Day to invite families in to share the great work that happens here. I look forward to seeing you if you are able to come along. The invitation will hold many more details, please look over it so you are prepared.

Today Kindergarten had a really happy day dressing up and celebrating 100 Days of Being at School.

Congratulations students and families for coming such a long way with school life and independence. We also appreciate all the effort you made to dress your children up! This term we have a big focus on speaking and listening with the Public Speaking program that is being implemented in all classrooms taking on a leading role across the school. Please come along to

the workshop on Friday at 2pm and find out how you can support your child/children to become a more confident and independent speaker. I'm looking forward to seeing the community at the planned events as well as incidently. I always appreciate insights into families when you chat to me. The partnership between home and school is stenghtened when there is understanding.

Mrs Rieger (Principal)

Dear Parents/Carers,

Please join us on Wednesday 6 August to celebrate Public Education. On this day we are starting Open Day at lunch time. You can have lunch with your child/children and spend time with them, and this will be followed by an assembly that will include items/performances, speeches and awards, and then you can visit your child's classroom.

The theme for Education Week is, IGNITE YOUR POTENTIAL. Educating children so they can reach their potential and have choices is an essential part of schooling. At Mount Lewis Infants we pride ourselves on providing and offering students and our community opportunities to grow, learn, feel included and valued. Our motto, Empowering Students, is certainly all about guiding children to realise/ignite their potential.

I hope to see as many of you as possible on Open Day.

Regards

Mrs Rieger

Please Note, in case of rainy weather, I will send out a message as early as possible on the morning of Open Day. If we have to cancel the assembly, the open classrooms will still go ahead. If you are a working parent/carer I understand this may be one of the few times you get to visit your child's school/classroom, therefore we will still offer this part of Open Day. Hoping for blue skies and a great day next Wednesday.
