PRINCIPAL'S MESSAGE

This term, our students have been enjoying a wide range of learning activities and special experiences which has been a wonderful opportunity for growth, curiosity and connection. In Week 6, we celebrated Science Week and a highlight was the Mad Science Show. The show was filled with big WOW moments as students explored the wonders of air and electricity. Students were amazed by experiments and fun demonstrations. The show sparked curiosity and inspired many budding young scientists! Thank you, Mrs Browne for organising this exciting event.

Last week, our Kindergarten students enjoyed their very first excursion with a trip to Sydney Zoo. Excitement was high from the moment they boarded the bus. The day was filled with wonder as children shared their favourite discoveries, asked lots of questions and watched the animals up close. Thank you to Mrs Elwing for organising this great experience. Next week, our Stage One students will enjoy their excursion to the Sydney Tramway Museum where they will have the chance to explore historic trams and learn about how transport has changed over time.

This week, our students are taking part in the School Public Speaking Competition, and many students have shared their speeches. They are also practising their quick thinking with impromptu speeches, building confidence every time they speak. Thank you to all parents and carers for supporting your children with their speeches.

Ms Ferguson (Relieving Principal)

School Administrative and Support Staff

Recognition Week

SASS Week is a special time to recognise and thank the dedicated support staff who help make our school such a great place to learn and grow.

At MLIS, our School Administrative and Support (SAS) staff include Mrs Conte and Mrs Markland in the office, Ms Anita and Ms Zaina who provide valuable assistance in the classroom, Mr Angelo, our General Assistant, and Mr Jege, who keeps our classrooms and school grounds clean and tidy after hours.

SAS staff play a vital role in the life of the school. They are often the first friendly faces you see when you arrive and are essential in building strong connections with students, families and the wider community. They work in many roles, from classroom support and administration, to groundskeeping and student care when someone is unwell or injured.

We celebrated SASS Week at MLIS last week, but appreciation doesn't stop there. It's never too late to thank our SAS staff for their ongoing care, dedication and the important work they do every day. Please take a moment to show your gratitude when you see them around the school. They truly make a difference!

INVITATION to Mathematics Workshop with Ms Ball

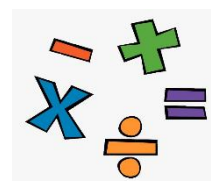

Come along to learn more about how children develop their mathematical understanding, the importance of exploring mathematical concepts through everyday activities, and a range of practical tips to support your child's learning at home.

The first fifteen parents/carers to arrive will receive some free maths resources to use with their children.

PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments.

This week's school value is:

FAIRNESS

At MLIS we show fairness through:

- taking turns
- sharing
- listening to others

Presentation for students is on Monday 15 September.

SRC Update

The SRC have been working very hard this year. We have been meeting regularly over the term to discuss any student issues that have been raised by their classmates and collaboratively discussing possible solutions to these problems. Many students wanted some new outdoor equipment, so after some brainstorming, we purchased some wonderful new games using the money we raised from Jersey Day.

Lots of great ideas
respectfully
shared.

What a team!

We purchased...

- Tic-tac-toe
- Jenga
- Connect Four

Look at our
6-metre low
volleyball net!

We are looking forward to our next event...
Pyjama and movie day on Friday 19 September

P&C NEWS:

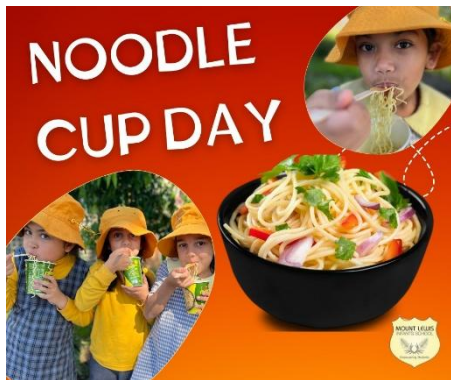

Father's Day Stall

A big thank you to our P&C for organising the Father's Day stall. Students loved picking out gifts for their dads and special people. It was a great chance to make their own choices and think about others. We really appreciate the effort that went into creating such a thoughtful and fun experience for everyone!

Noodle Cup Day - Thank You!

Noodle Cup Day was a hit with students, bringing lots of smiles and full tummies! A big thank you to our wonderful P&C volunteers for making the day special.
