PRINCIPAL'S MESSAGE

Parents and Carers,

I want to express my gratitude to my staff. Every time there is an event proposed, someone has to volunteer to lead it and several other teachers have to support so we have a team who plan and organise. As you all know, MLIS is a small school with limited staff, some of the teachers volunteer to be on several event teams throughout the year and of course maintain their high standard of planning and teaching on a daily basis. I thank my staff for having so much

goodwill and generosity time after time.

The students and families that support the school are what makes all events come alive. I also want to thank everyone that attends events and supports their children by their presence and shares the experience. It's a partnership, the school and families. No matter where you go with your children, there will always be the family unit and the other parties, be it friends,

extended family, schools, early childhood settings, places of worship etc. What remains essential is the shared experiences the family unit can take part in and then go home and be able to share with each other their thoughts and feelings, good or not so good.

We are coming to the end of the year. Things are moving fast and the weather is warming up.

Everyone is feeling the weight of winding up and either preparing to go to a new school or moving home, working out finances, managing family health issues (both physical and mental) and a host of other things. I hope we can manage the next 6 weeks with good cheer and support for each other.

There is always a way to be supported. Please know that I firmly believe in respect for all, old or young and expect that it is reciprocated. I have been the principal at MLIS for a long time and really put my heart and soul into this school. I am so proud to have worked with so many wonderful people, staff and community, and look forward to this continuing for the remainder of the year.

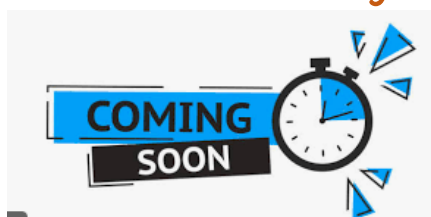

Big ticket items coming up include: Kinder 2026 Transition, Yr2 to 3 Transition, P&C, Community Helpers & Scripture Teachers Thank You Afternoon Tea, Swimming for Yr2, Presentation Day, Yr 2 Graduation & Farewell. Plus the regular weekly events! Please look at the School Bytes calendar regularly for upcoming events. It is a very helpful tool for being prepared. Plus. Stay well and happy. I look forward to the rest of the term.

Mrs Rieger (Principal)

- Mrs Browne ran a Parent Workshop a few weeks ago, sharing the DoE push on High Performance and Gifted Education (HPGE). It was an introduction to the policy but also an insight into what the school does and will focus on in the future to cater for the needs of students who show potential in a particular area. The session was well attended. Thank you again, parents/carers for making the time to come along.

***NEXT Community Workshop: Wk5, Friday 14 November**

Topic: Student Wellbeing, Attendance, PBL

Presenters: Ms Ferguson & Mrs McCollin

PBL NEWS & THIS WEEK'S SCHOOL VALUE

Positive Behaviour for Learning (PBL) is our school program that aims to help in creating safe, effective teaching and learning environments. For more information on PBL go to

<http://www.pbl.schools.nsw.edu.au/about-pbl>

Presentation for students is on Monday 10 November.

TOLERANCE

At MLIS we show tolerance through:

- acceptance of others
- being patient
- inclusiveness
