## Principal's Message....

Dear Mulgoa Families,

As we approach the midpoint of our term, I would like to extend my heartfelt thanks to our wonderful school community. Your continued commitment, encouragement, and partnership play a vital role in helping our students thrive every day. It is through your support that we continue to foster a nurturing, inclusive, and forward-thinking environment where students feel empowered to learn, grow, and shine.

A special thank you to our amazing P&C for hosting a fantastic Movie Night last week. What a wonderful and uplifting community evening! Events like these remind us how lucky we are to have such engaged and supportive families. Thank you to everyone who helped organise, attend, and contribute to a truly memorable night.

Our Year 5/6 students have also just returned from their educational tour to Canberra. We are incredibly proud of our students for their exemplary behaviour, enthusiasm, and engagement throughout the trip. A huge thank-you to our P&C for generously subsidising this valuable learning experience, making it more accessible for our families. Your support is truly appreciated.

Last week we also celebrated World Teachers' Day. We are fortunate to have such dedicated, talented, and compassionate teachers who bring passion, creativity, and care to our classrooms every single day. Their commitment to student success and wellbeing is inspiring, and we thank them for the extraordinary work they do.

Looking ahead, we are excited to share that enrolments for the 2026 school year are now open. We warmly welcome new families to join our dynamic school community and be part of our ongoing journey of learning, growth, and success.

Thank you once again for your ongoing support and involvement in our school. Together, we continue to build a community where every student feels valued, encouraged, and ready to reach their full potential.

Justine Blackley

Principal
