ORDERING

ALL ORDERS MUST BE RECEIVED BY 9.30AM.

To avoid disappointment, we strongly recommend you order.

We offer an extensive menu at Mullumbimby High School Canteen, and although everything is available for order every day, only some of the items will be available for recess and lunch unless ordered. Some items can sell out very quickly. It is strongly recommended you order so you receive the recess or lunch you would like. Please visit the canteen in the morning before 9.30am and one of our friendly staff will take your order.

Orders can be collected from the canteen at recess and lunch from the designated area.

Late orders will not be accepted.

We accept Cash or Eftpos payments. Unfortunately, we do not offer Cash Out with the Eftpos facility.

ALLERGY INFORMATION

Please make sure the school has up to date information about any serious food related allergies you may have.

This information is passed on to the canteen, however it is highly recommended that you also inform the canteen staff at the time of ordering so we can highlight it on your order. We take considerable care when preparing all our food, especially for our students and staff with allergies.

We operate as a Nut Free canteen.

FRESH AND HEALTHY

At Mullumbimby High School Canteen, we pride ourselves on providing quality fresh food made on the premises, using local produce and suppliers where possible.

Our menu provides a balanced choice for our school community and meets the criteria set out by the NSW Healthy School Canteen Strategy. For more information about the strategy, please visit: <https://healthyschoolcanteens.nsw.gov.au>
