

MULYAN PUBLIC SCHOOL

TERM 3 || WEEK 6 || AUG - SEP 2025

PBE WEEKLY FOCUS

Week 5

We use appropriate language

Week 6

We keep our school clean and tidy

PRINCIPAL'S REVIEW

Dear families,

Thank you for sharing the fun of Book Week with us. The students love to have family and friends cheering them on as they parade around in their outfits. It is truly something special, as are the outfits!

Congratulations also to our students who proudly represented Mulyan at the District Athletics Carnival. They gave it their all and we are so glad that they enjoyed their opportunity to show their skills. We have a number of students heading now to Western Region Athletics and I know they will do us proud. Details of their successes are later in the newsletter.

Last week was a week of excursions across the school with Stage 3 at landra Castle, Stage 2 in Dubbo and K-2 enjoying a trip to the theatre. Thank you to the teachers who make these excursions possible. There is so much work in the background to ensure the fun and safety of everyone. Our student's behaviour made us very proud on each of these excursions.

Cheers, Mrs Briggs

REGIONAL SPELLING BEE

On Thursday 14 August, our school proudly took part in the Regional Spelling Bee, with two of our talented students competing against contestants from 30 other schools stretching from Bourke to Katoomba to Wagga Wagga, all via Zoom. Alyssa Schofield represented our school in the Junior Spell Off, making it to the third round before being challenged by the word metropolis. Lachlan Minehan competed in the senior section, also reaching the third round, where the word aviary brought his run to an end.

We are incredibly proud of both Alyssa and Lachlan for the dedication, courage, and composure they showed under pressure. They represented our school with great spirit and determination, and we congratulate them on their wonderful efforts.

Well done Alyssa and Lachlan!
Miss Charlotte Fisher II Classroom Teacher

ATHLETICS DISTRICT CARNIVAL

The sun was shining and our athletes were giving their all! Every event was packed with fun, talent and sportsmanship. Congratulations to all who earned a place on the day and those who made it to the Western trials. Big smiles all round!

Big congratulations to Chloe Tysoe who broke not one, but two district records for discus and long jump!

Amy Ryan II Teacher/Team Manager

A special congratulations to our three Mulyan students who were awarded age champions on the day!

COWRA MATERIALS RECYCLING FACILITY

TO THE DUMP, TO THE DUMP, TO THE DUMP, DUMP, DUMP

3/4G had such an interesting visit to the Cowra Materials Recycling Facility today to complement our Science unit "Protection of the Environment".

Anthony was a great guide who took us through all the different areas of our MRF and told us lots of interesting facts.

? Did you know?

PET, the plastic used in most drink bottles, can be recycled many times into new products like hats, clothing and new bottles

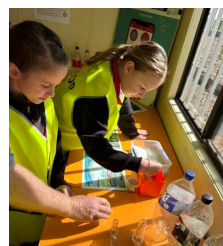

Recycling just one bottle can save enough energy to power a light bulb for hours!

60% of household rubbish can be recycled, but sadly, much of it still ends up in landfill because people don't take the time to sort it into the correct bin.

We had an amazing learning experience and thank Cowra Shire Council for allowing this FREE educational visit.

Jane Jeffries || Assistant Principal

IANDRA CASTLE STAGE 3

What a magnificent local area excursion for our fabulous Stage 3 students! We learnt so much about this spectacular castle and its vast history. The gardens and grounds are absolutely pristine. We enjoyed a very relaxing picnic after our tour and had such fabulous weather.

Special thanks to Mr Beale for driving the mini bus.

Mrs Statham, Mrs Knights, Ms James & Mrs Wilson || Stage 3 excursion teachers

MULYAN PUBLIC SCHOOL

JUNE YOUNG ACHIEVER

This award celebrates your wonderful attitude; kind heart and the many ways you brighten our classroom every day! Chase is the kind of classmate everyone wishes they had – caring, thoughtful and always ready with a story and a smile to share.

Chase is truly a happy-chappy!

He brings sunshine and good vibes with him wherever he goes, and your sense of humour brings joy and laughter to those nearby.

Chase, is always kind and thinking of others. Whether it's helping a classmate or a teacher, offering a smile, or tidying up without being asked, your actions show true care and respect for others. You are always willing to support a friend, show fairness, or stand up for what is right. You demonstrate a deep understanding of justice and what it means to be a true friend. You are an absolute champion at making sure that everyone feels heard and that all are included, never making a fuss, just quietly getting on with what needs to be done because nothing is ever too much trouble. You are a loyal friend but know right from wrong and can think for yourself.

"In a world where you can be anything, you choose to be kind — and that's the best kind of awesome!"

Chase is a determined and conscientious student. He gives his best to every task he undertakes, no matter the challenge. His dedication and perseverance set a wonderful example for all. Chase demonstrates a fabulous attitude, a positive outlook and unwavering determination to improve in all areas of his learning. He goes above and beyond to improve and to flourish. No matter the challenge, he approaches every task with enthusiasm and an open mind. He takes on feedback with a maturity beyond his years and is using it to further strengthen his understanding of the concepts taught. His willingness to take responsibility for his learning, embrace new ideas, to try different strategies and to push himself beyond his comfort zone shows a remarkable commitment to personal development.

With a smile on his face and a 'can-do' spirit, Chase inspires those around him to give their best. He is a splendid example of how positivity, purpose and an eagerness to learn can lead to improvement. Thank you for being such a shining example of what it means to be a dedicated learner.

We are lucky to have Chase's kindness, determination and sense of fun in our classroom, thus making you a very worthy recipient of the Young Achiever for June. Keep being your amazing self — the world needs more people like you!

"You don't just shine in one way — you sparkle in every direction!"
