We keep our hands and feet to ourselves

Week 8

We consider the feelings of others

PRINCIPAL'S REVIEW

Dear Families,

Thanks to everyone who made the Father's Day BBQ and stall happen for 2025. We have so many students and staff who help out and make these days possible. Thanks to the families who attended and made the day so special. I hope that everyone had a lovely Father's Day.

Thanks also to our dedicated P&C. This small group of parents help with fundraising and so far this year have donated the amazing trailer for our bus and seats for our students to eat their lunch on outside their classrooms. This last donation came as a request from 3/4G as a part of their persuasive writing unit.

Just as importantly, the P&C get together with me once a month and share their ideas, thoughts and perspectives so we can ensure that our school reflects the needs and wants of our community. If you would like to have your say you are always welcome to come along to meetings or a meeting, and share your thoughts.

Cheers, Mrs Briggs

BOOK WEEK CHARACTER PARADE 2025

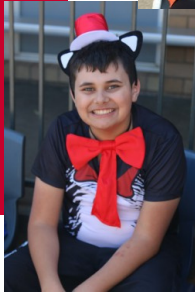

Book Week Character Parade 2025

A few more photos we wanted to share, these have been taken by Little Bo Peep (Mrs Ryan). Between us we took a total of 950 photos on the day, and we can't post them all, so we have made a slideshow that is now playing in our school Administration Office.

We are also putting together a photobook which we keep in our library, the students love going through the photobooks when they visit.

Thanks Little Bo Peep

CONGRATULATION TO US!!

We are incredibly proud to share that during a recent, randomly selected, audit by the National Education Standards Authority (NESA), our school's teaching programs and policies were found to EXCEED EXPECTATIONS, with the auditor describing our programs as EXEMPLARY.

Since the implementation of the new curriculum, our dedicated teachers have been working tirelessly together over the past 3 years to design, develop, and refine programs created specifically by Mulyan teachers for Mulyan students. Today NESA have gone over our programs and policies with a fine tooth comb and were extremely impressed.

This recognition is a testament to our teachers and their hard work, knowledge, expertise, and commitment to delivering the very best learning opportunities for our students.

To be recognised as EXEMPLARY by NESA is an incredible honour, and we couldn't be prouder of our teachers and our school community.

FATHERS DAY BREAKFAST AT MULYAN

What a glorious morning it was for Mulyan dads, pops, uncles, and other special people in our lives to share a delicious bacon and egg roll for our Father's Day breakfast!

Smiles were everywhere as the smell of bacon and eggs filled the air, while families enjoyed food, fun, and games together.

The morning was a wonderful success. A big thank you to all our amazing staff who volunteered their time to cook, set up, and serve, making the event so enjoyable.

Events like this remind us how important it is to celebrate the special people in our lives and to cherish the strong sense of community we share at Mulyan.

MEERKAT PRODUCTIONS

Last week we had "Meerkat Productions" come to our school and perform the book "Garden of Broken Things" by Freya Blackwood.

All K-6 students attended the production and participated waving their handmade flowers and singing along, with a couple of students given roles in the show.

Thank you to the talented Meerkat crew for a very entertaining performance, staff and students had a wonderful afternoon.

CONGRATULATIONS

MULYAN PUBLIC SCHOOL

STAR OF THE MONTH

★ AUGUST

**Rome
Bailey**

Congratulations

Rome is a shining example of our school values - Respect, Resilience and Responsibility.

Rome is kind, caring and always willing to lend a helping hand. His cheeky sense of humour, quick wit and love for making people smile make him a joy to be around.

He shows good sportsmanship, looks out for those around him, and treats everyone with kindness and fairness.

Rome loves to be at school, wears his uniform with pride, embraces every learning opportunity and his progress has been nothing short of amazing. His dedication, enthusiasm, and positive attitude make him a true standout in our class.

We are so proud to have Rome in our classroom - he truly is a superstar and a well-deserving Star of the Month!
