Term 3 Week 6

Kindergarten 2026 'Open Classrooms'

PRINCIPAL'S *message*

Last week we celebrated Book Week, one of the highlights of the school year. Our Book Week Parade was a fantastic success, with students and staff dressing up in an array of creative and colourful costumes. A big thank you goes to Mrs Martin for her organisation of the parade and the running of our annual Book Fair – it was a wonderful way to celebrate the joy of reading.

This week, our MSPS Choir will be performing at the Abermain Eisteddfod on Thursday. We are very proud of their hard work and wish them all the best for their performance.

Our Year 4 students departed this morning for their camp in Dubbo, an exciting opportunity full of new experiences and learning. Thank you to Mrs Terzian for her excellent organisation, and to Mrs Brown, Miss Probst and Mrs Schmarr for attending and supporting our students on this adventure.

Looking ahead, next week will also be a big week for camps. Year 5 will be heading off to the Great Aussie Bush Camp on Wednesday, while Year 6 departs for Sydney on Tuesday. These camps provide rich opportunities for growth, independence and teamwork. Thank you to Mrs Petersen and Mrs Winning for their planning and organisation to make these experiences possible.

Students from Kindergarten to Year 4 will be attending their own session, and will experience interactive Science Space activities that may include:

- ⚡ Plasma globe - find out what stars are made of and see plasma switch on a light bulb!
- 🔥 Thermal camera - discover the unseen waves of energy emitted from our bodies!
- 🌋 Outer Space Volcano - watch an explosive chemical reaction (like Elephant's Toothpaste)

Visit - [SMART Program / Education / College of Engineering, Science and Environment / Colleges / The University of Newcastle, Australia](#) – for more information

- 3BLUE NEWS -

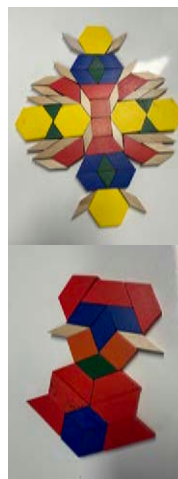

3BLUE love coming to school to learn and play with our classmates.

Each morning, we begin with desk drumming. Students use pool noodles to bang out a song to kickstart the day, wake us up and get ready to learn.

Our favourite part of the day are maths groups. We enjoy playing hands-on games and targeted numeracy activities. We enjoy having epic whole class Prodigy battles! These battles encourage students to practice their maths skills while enjoying a fun competition with their classmates.

I'm proud of how engaged and enthusiastic everyone has been. Keep up the great work!

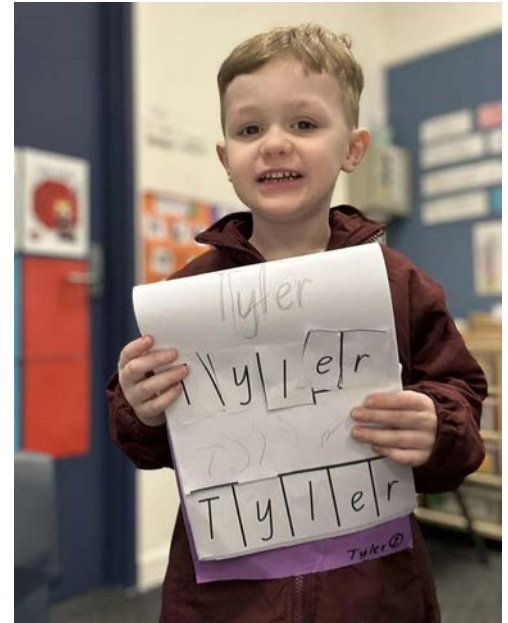

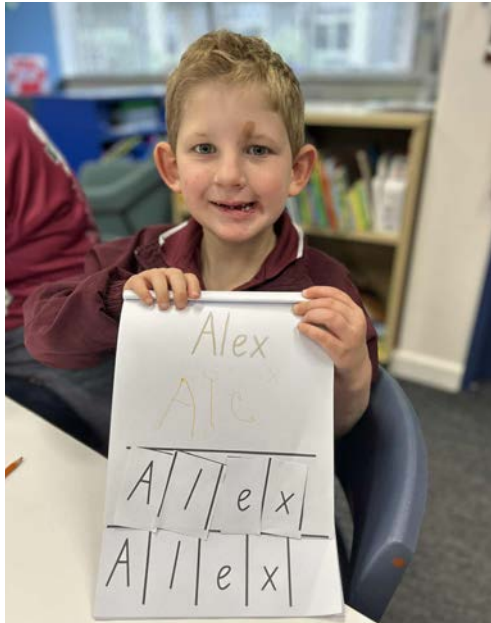

Miss Beith - Classroom Teacher

- SUPPORT ORANGE NEWS -

What an amazing time we have in Support Orange! Every day is full of new learning, adventures and discoveries. When we are not busy doing our "tricky work" we love to practice our independent living skills. If we are not in the classroom, you will find us in the kitchen cooking up a storm with S-Maroon. Hands on learning and giving 110% is how we get things done while having fun in Support Orange!

Mrs Thompson - Classroom Teacher

1BLUE have been learning how to write using Braille. They read the book "The Black Book of Colours" and then had a go at writing a colour and their name in Braille.

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

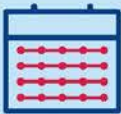

Days missed = years lost

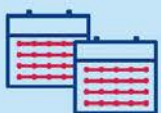

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per **fortnight**
 = **4** weeks  = Over **1** year missed

1 day per **week**
 = **8** weeks  = Over **2.5** years missed

Forever Loved Family Support Day

Sunday 7th September 2025

Victoria Park Muswellbrook 10am to 2pm
Kyda Rock are playing on the day.

Join us for a free community day filled with fun, connection and support.

Bring the whole family – free rides for the kids, free sausage sizzle and a space to connect with support services and others who have experienced the same loss.

If you've lost a friend or loved one to suicide, we invite you to bring a photo and shoe to honour their memory as part of this special day.

We want to come together as a community to honour those we've lost to suicide as a powerful act of love, remembrance, and healing. This is a space where grief can be shared, stories can be told and lives can be acknowledged – not for how they ended but for how they mattered.

Honouring those we've lost while giving hope to those still here.

Let's come together to support each other, raise awareness and remember those we've lost – by honouring those we lost, we can prevent future loss.

MEN AND THEIR MATES BREAKFAST

Guest Speakers Talk2mebro

Men often struggle in silence when it comes to mental health. This breakfast is about breaking that silence-creating a space where blokes come together, share a meal and start conversations that can literally save lives. We are giving men the opportunity to hear from those who have walked the hard road, broken through the stigma and found strength in speaking up. Hear from Talk2mebro and their real-life stories and messages that hit home – reminding us that it's okay not to be okay, and help is always within reach.

This event is about mateship, support and showing up for each other – because talking can save lives.

Time: 7am
