Term 4 Week 2

PRINCIPAL'S message

It's been a wonderful and busy start to Term 4 at Muswellbrook South Public School! With many exciting events already underway and plenty more to come, our students and staff are looking forward to a positive and engaging end to the year.

Welcome to Mr Barry (Baz) McLean

We're delighted to welcome Mr Barry (Baz) McLean to our team as our new General Assistant. Baz brings a wealth of experience and a friendly, can-do attitude, and we're thrilled to have him join our school community. Welcome to the team, Baz!

Korean Music Workshop

Last Friday 16 of our students had the incredible opportunity to visit the Hunter Regional Conservatorium to take part in a music workshop focused on exploring, understanding and appreciating traditional Korean music. Throughout the day, students learned and sang a traditional Korean song, practised rhythmic drum patterns, and even mastered a traditional dance.

To finish, they combined their new skills in a final performance. It was an amazing experience, and our students thoroughly enjoyed immersing themselves in another culture's music and movement. A big thank you to the Hunter Regional Conservatorium, and to Miss Gibbs and Mr English for supporting our students at this fantastic event.

Farewell to Mrs Sharon Lackenby

This week we said farewell to our wonderful Mrs Sharon Lackenby. Sharon has been an integral part of our school for many years, working across the stages and making a lasting impact on the hundreds of students she has taught and supported. She is kind, caring, funny, hardworking and has a great sense of humour – qualities that have made her so loved by students, staff and families alike. Sharon will be dearly missed by our entire school community, and we wish her all the very best for her next chapter.

- SUPPORT **YELLOW** NEWS -

Support Yellow have had a great year so far, filled with learning, creativity, and teamwork. Last term, the boys explored music through Digital Technologies — learning about rhythm, tempo, and how to create and layer sounds using digital tools. They particularly enjoyed experimenting with beats and discovering how technology can bring music to life!

In class, we have continued to focus on building positive relationships and developing character strengths such as curiosity, creativity, and perseverance. Our students have been working hard across English, Maths, and creative arts, showing growing confidence and enthusiasm in their learning.

It's been wonderful to see how much each student has developed this year, both in their skills and in their willingness to try new things.

SPORTS REPORT

Last Friday 17 October, we took an Under 10's and Under 12's team to Singleton to play in the Brian Kirkland Cup. It was a fun day where we had a mix of students who play on the weekends and students who were playing rugby league for the first time.

Thank you to all parents who turned up and supported MSPS and to those who provided transport. Thank you to Adam Day for assisting on the day, coaching the Under 12's team.

Under 10's played 4 games where they won against Singleton Heights Public School, a draw against King Street Public School and 2 losses against St Catherines and Denman Public School.

Under 12's played 4 games against St Catherines, Denman Public School, Mount Pleasant and Singleton Public School. They displayed resilience and developed their skills of playing as a team. It was also the first time students were provided the opportunity to wear the school's new NAIDOC jerseys.

The students who attended on the day displayed fantastic sportsmanship on and off the field and demonstrated the school's values out in the community.

Bus Flashing Lights Campaign

Term 4 2025 from 12th October 2025

Slow down to 40km/h when bus lights flash, unless a lower speed limit applies.

Key Messages

Motorists

- Lights flash on buses to warn motorists that buses are picking up and dropping off children
- You must slow down to 40km/h when overtaking or passing a bus displaying flashing lights, unless a lower speed limit applies.
- You can help keep children safe by:
- Sticking to the speed limit and following the road rules in school zones
- Slowing down to 40km/h when bus lights are flashing, unless a lower speed limit applies
- Looking out for children crossing the road near bus stops, in school zones or along bus routes
- Giving way to buses when they merge back into traffic.

Families

- Families have an important part to play in keeping children safe around roads.
- Never drop off or meet your child on the opposite side of the road to the bus stop or call them across the road. Always drop them off or meet them on the same side of the road as the bus stop.
- Remind your children to always **wait until the bus has gone before choosing a safe place to cross the road**
- Talk to your children about Stop! Look! Listen! Think! every time they cross the road:
- Stop one step back from the kerb
- Look continuously both ways
- Listen for the sounds of approaching traffic
- Think whether it is safe to cross and keep checking until safely across.
