Message from the Principal...

Dear Parents and Carers,

Welcome to Week 9!

I would like to thank the 2024 P&C Executive and team for their dedication and hard work throughout the year. Their commitment has made a significant impact on our school community, and we are truly grateful for your efforts. I am also excited to welcome the 2025 P&C Executive following our recent AGM. I look forward to working together and continuing the great work that has been done to enhance opportunities for our students.

Last Wednesday the Wallamba Show Committee visited our school assembly to present us with our Scarecrow first place ribbon and prize. It was lovely to share this with the community.

On Tuesday, Mrs Ashby and I are attending an Explicit Teaching Conference on the Central Coast. Another local Principal and I were invited to attend with one of our teachers, representing our local network of schools. We will bring learning back, reflecting on our current learning journey and share with other schools in our network. This is an exciting opportunity to collaborate with other schools, in other networks, learning from each other.

This Friday is our cross country. Good luck to everyone participating, have fun!

Have a lovely week!

Lorelle O'Brien

Cross Country

The Cross Country will be held on the 28th of March (weather and grounds permitting) for all students from Kindergarten to Year 6. The event will start in the morning after roll call and run until lunchtime. The races will start with the youngest age groups.

Students run in the age group that they will turn this year. The distance of the race varies according to the age of the students. Five and six year old students will run a shortened course. Seven year olds will run 1 lap. Eight and nine year olds run in the same race, running 2 laps. Ten year olds run 2 laps. Students that are eleven and twelve years old both run 3 laps (in separate events). We will use the race time of these events to determine the results of the 1500m for the Athletics Carnival and determine the zone representative for 1500m. The results will become part of the competition for the Athletics Carnival later in Term 2. This prevents the need to run a very similar event in a close period of time. If you have any questions, please contact the office or speak to Mr Dawson.

School Photos

School photos will take place on **Wednesday 2 April 2025 (Week 10)**

School photo envelopes have been distributed to students last week. Please read the information on the school photo packs carefully. Photos can be paid for in cash, using the envelopes provided or online at 'The School Photographer' website.

*** Note that payment for photos can be placed in one sibling envelope; however, each student envelope must still be returned to the office. Please return each student envelope to the office by **Friday 28 March 2025 (Week 9)**, regardless of payment and order, as we utilise these on the day.

If you are interested in sibling photos, you can purchase these online or collect a sibling envelope from the front office.

Please contact the front office if you have any questions or would like support.

Three-Way Interviews

Notes have gone home with students today for three-way interviews to be held in weeks 10 and 11. Please remember to fill out the interview slip with three preferences and return as soon as possible. Teachers will then return the interview slip to confirm a date and time.

Year 7 2026

An email was sent to all year 6 students via School Bytes requesting Expressions of Interest for year 7 2026 to be lodged. Instructions on how to lodge this were included in the attached document. The portal is now open to lodge your Expression of Interest, and this must be completed by 28 March, 2025. If you have any questions, please feel free to contact the front office.

Answer: T-H-A-T

PBL

Care: I can play safely in different weather conditions.

When it is sunny, there are many areas to spread out and play in. When it is wet, we can still play, but we need to be careful and mindful of all students in the same play areas.

We need to remember to follow the rules of each playground area

✓	✗
- If a teacher is present- you can use the hall cola for handball - K-2 on the fort - Library if it is open - Basketball at the bubbler end of the cola - Listen carefully to what the teachers are saying! Each wet weather day can be different. - Watch carefully for others- especially younger students	- Running in any of the play areas - Making your own rules to suit the game you want to play - Basketball at the fort end of the cola - Playing at hall cola unsupervised - Playing in the rain if a teacher has asked you to move

HOW TO ACCESS FREE AUDIO BOOKS ON BORROWBOX

Did you know that you can access free audio books using your Mid Coast Library card?

Audiobooks help children develop listening skills, comprehension, and vocabulary by exposing them to fluent reading and expressive storytelling. They also make reading accessible and enjoyable for all learners, including those who struggle with decoding text.

To get started download the Borrowbox app from the App Store or Google Play for your phone or tablet.

Then use your MidCoast library card number (the number under the barcode) and your password (your date of birth DD/MM/YY or DD/MM/YYYY). You may also need to select MidCoast Libraries as your branch.
