Message from the Principal...

Dear Parents and Carers,

Welcome back to Term Two! I hope you all had a refreshing break and are ready for another exciting term of learning and growth!

I have heard how amazing our Easter Hat Parade was at the end of last term, how many parents, carers, family members and community members joined in for the march. This is amazing, the biggest yet, thank you for joining in on the fun. Events like this remind us of the power of school and family working together. When school's and families unite, sharing the same message of encouragement, resilience and high expectations, our students feel a deep sense of belonging, connection and support.

Thank you to everyone who joined us for the ANZAC Day march and services. Our leadership team proudly represented our school, leading the Dawn Service and again actively participating in the morning service. A big thank you to Mrs Peters who was instrumental in the organisation.

On Monday, all staff participated in professional learning- High Potential and Gifted Education. All teachers from the Great Lakes Learning Community of schools participated in professional learning sessions held at Tuncurry Campus. It was an extremely productive day of professional learning, rich discussions and examples of practice.

On Tuesday, Miss Perram and I visited our local preschools and left an expression of interest form for families who are looking to enrol their child/children at our school for 2026. If you are aware of anyone, who does not attend the local preschools, please let them know to contact the school.

Kind regards

Lorelle O'Brien

The Premier's Spelling Bee is a fun and educational way for primary school students to engage with and improve their spelling. The program includes activities that encourage students to become more confident users of language through broadening their vocabulary.

We are participating in the Premier's Spelling Bee again this year. All students will be involved in class competitions in Week 7 and 8 of next term. Stage 2 and Stage 3 finalists of their class competition will compete in a Stage Final in Week 9. Our top 2 spellers (one from Stage 2 and one from Stage 3) will be invited to attend the Regional Final next term (online competition). Kindergarten, Year 1 and Year 2 students will participate in modified class Spelling Bees.

If you would like further information, please google 'Premier's Spelling Bee' or use the following link: <https://artsunit.nsw.edu.au/program/nsw-premiers-spelling-bee>

The word lists are available on the website. The password has recently changed so please see the new note or contact the school.

Good luck to all our students for our Spelling Bee competitions!!!

Cross Country

The School Cross Country was held last term. We were fortunate to have a sunny day with a bit of a breeze to reduce the heat. As the Town Oval was still a bit waterlogged, the students ran an alternate course around the surrounding trees and the older students had to run around some of the school grounds. This meant navigating around different obstacles and running on varied surfaces. The competitors managed this change very well and many reported that they had enjoyed running a different course. Thanks to all the staff that assisted in this event and to the many parents and members of the community that were able to come along and cheer the kids on. The Zone Cross Country is going to be held on Friday 9th May. This is the second Friday of Term 2. Thanks Mr Dawson, Mr Tickle and Mrs Alliston.
