Message from the Principal...

Dear Parents and Carers,

Welcome to Week 10!

As we come to the end of a busy and productive Term 2, I would like to take this opportunity to thank all of our families for your continued support and partnership.

This Thursday, our school will proudly celebrate NAIDOC Week with a special day of cultural learning and community connection. This year's theme, "The Next Generation: Strength, Vision & Legacy," celebrates 50 years of honouring Indigenous voices and culture, and looks proudly to the future. Students will participate in a series of rotational activities. We will also invite families to join us for a special NAIDOC assembly and community BBQ, which the P&C have kindly organised. We're delighted to welcome both Nabiac Preschool and Nabiac Early Learning to join in the celebrations – it promises to be a meaningful and enjoyable day for all. Students are encouraged to wear out-of-uniform clothing in NAIDOC colours.

School reports will be sent home with students this Thursday. These reports reflect the dedication and effort our students have shown throughout the term, and we encourage families to read and discuss the reports together, celebrating the progress and identifying goals for Term 3.

A reminder that the first day of Term 3 for all students will be Tuesday 22 July. We look forward to welcoming everyone back refreshed and ready for another exciting term of learning.

I wish all our students and families a safe, restful, and enjoyable holiday break.

Have a lovely week!

Lorelle O'Brien

Thank you

School Photos

We initially anticipated that school photos would arrive during the last week of Term 2, however, they will now be distributed at the beginning of Term 3.

Thank you for your understanding.

Assembly

Our next Assembly will be on our NAIDOC Assembly this Thursday 3 July at 12:15pm, followed by a community BBQ lunch. Parents and families are welcome to attend.

On July 3, we will hold our annual NAIDOC Celebrations and Assembly. The day will include rotational activities for students and an assembly at 12:15pm followed by a community BBQ lunch at approx. 1pm.

We invite all families and community members to join us for the assembly and lunch, we ask that you please RSVP for catering purposes. You can RSVP by returning the slip sent home with students or by phoning the office.

Students are invited to wear NAIDOC colours - yellow, red, black, blue, green and white to celebrate. **Thank you** to the P & C for providing a BBQ lunch for everyone. The canteen will be open for over the counter sales only. Students will need to bring their own recess and lunch if they do not want a sausage sandwich.

FOUND – RING

A special ring has been found in the playground, and we would like to ensure it is returned to its rightful owner. Please check your jewelry boxes in case you are missing one. The ring has been handed in to Forster Police Station for safekeeping. If you believe this ring belongs to you, we encourage you to reach out to the police for assistance. You may need to provide a description of the item to verify ownership.

NETBALL

Our Nabiac Netball team played in Forster last week for their PSSA knockout round games. We came up against a strong Hallidays Point team in Round 1 and unfortunately lost, meaning we were knocked out of the competition.

Our netball stars gave it their all on the court, displayed fantastic sportsmanship and never gave up. The girls and our school community should be very proud of the way they represented Nabiac PS.

Multicultural Perspectives Public Speaking Competition 2025 – Speech Finalists

This semester, through our HPGE program Stage 3 students were offered the opportunity to compete in the Multicultural Perspectives Public Speaking Competition. Congratulations to Chloe Brady and Noah Spychala who were our NPS finalists. They represented our school in the local finals at Forster Public School on Monday 23rd June. We want to congratulate Chloe and Noah for their amazing work in this competition, we are very proud of you both.

Week 10

Care: I can take care of school equipment.

Just like taking care of your own equipment in the class and at school is important, so is taking care of school equipment! It shows that you have respect for property and value the items at school.

Clarky says:

- Taking care of school equipment, means everyone can share.
- Looking after library books, sports equipment and classroom equipment is important!
- By working together to look after school equipment, it will last longer, and this means everyone can use it when they need it.

PBL

MAKE SURE YOU:

- Put the sports equipment back after play time.
- Use classroom equipment safely and responsibly. Put it back when you're finished!
- Look after library and classroom books, so they remain in good condition.

Stay Healthy this Winter

As we enter the winter season, respiratory viruses such as influenza, also known as flu, are expected to rise.

NSW Health has a number of resources to support you and your family this winter:

1 Book your families flu Vaccination

[Book your family's flu vaccination](#) (External link) for the best protection from getting sick. Recommended for everyone aged 6 months and over. Stay informed about [vaccinations](#) (External link) and access [translated vaccine information](#) (External link).

2 Help Stop the Spread:

Help stop the spread of cold and flu by practicing good general hygiene including:

- regular handwashing for at least 20 seconds (Need a timer? Get your child to hum the "Happy Birthday" song from beginning to end twice);
- using hand sanitiser;
- covering coughs and sneezes;
- cleaning frequently touched surfaces, particularly when people are sick; and
- not visiting people who are at higher risk of severe illness if you have cold or flu symptoms, especially babies and older people.

3 Call for Advice

Call [healthdirect](#) (External Link) on 1800 022 222 for free health advice, care and treatment for non-life threatening conditions from a registered nurse. They can find you a nearby doctor, pharmacist, urgent care service or connect you to specialist virtual care.

4 Stay home

Your child will need to stay home, if they are sick with multiple or severe respiratory symptoms, symptoms that are worsening, or other signs like fever, rash, or tiredness. Please let us know as soon as possible if your child is sick, absent or needs to attend a medical appointment during school hours. Our teachers are here to help your child's continued learning and return to school once they are well enough.

THINGS YOU NEED TO KNOW

Uniforms and School Hats

The uniform shop is open on Tuesday mornings from 8:45 AM to 9:15 AM. Orders can be placed via Spriggy or in person, and both cash and card payments are accepted.

School hats are available for purchase at the front office for \$7.

Please remember that Friday is sports day, and students are required to wear their sports uniform. Sports club jumpers may be worn on this day only.

School Arrival Time

Students are asked not to arrive before 8:30am as there are no teachers on duty until 8:30am.

By ensuring that students arrive after 8:30am, we can maintain a safe and secure environment for everyone. The school staff will be available to assist students with any questions they may have and to ensure a smooth start to their day.

Thank you for your cooperation in helping us keep our school community safe.

Riding Bikes to School

If your child is riding a bike, scooter or skateboard to school, they must walk them through the school grounds. There is a bike rack behind the Library where they are to remain until 3pm. Helmets can be taken with their bags into the classroom.

Responding on School Bytes

Our school uses School Bytes for attendance, parent communication, and event management. If there is an event and your child will not be attending, please remember to respond with 'not going.' This helps us plan effectively.

Medical Certificates

If your child is away for more than two days, it is a requirement to provide a medical certificate.

Spriggy

When placing a lunch order through Spriggy, please check your email to confirm that your order has been successfully processed and that the correct date has been selected. Uniforms can also be ordered via the Spriggy app.

Extended Leave Form

If you are planning a holiday or will be away for 4 days or more, please complete an Extended Leave Form. These forms are available in the Office or can be emailed to you upon request.

Please ensure to provide proof of travel, such as an accommodation receipt or airfare confirmation. Once approved you will receive a certificate to take with you.
