Message from the Principal...

Dear Parents and Carers,

Welcome to Week 7! I hope you had a relaxing long weekend.

Last Friday we had our Silly hair and PJ day. We fundraised over \$400 for our local SES, RFS and Need for Feed. Thank you for supporting our fundraiser.

This term we are introducing updated school reports. The new format has been developed by the NSW Department of Education in response to feedback from parents and educators to make reports easier to read and understand. Your child's report will still show their progress across all subject areas. Teacher comments will appear in English, mathematics and the general comment section, in line with department policy. The general comment for Kindergarten also covers all other key learning areas including, creative arts, HSIE, PDHPE, and science and technology.

A new achievement scale and descriptions are included to provide a clearer picture of your child's progress. Parent-teacher interviews remain an important way to discuss your child's progress and achievement in more detail. Please contact your child's class teacher via the office after receiving reports in Week 10 this term if you would like to discuss the school report.

New report achievement scale.

Description for parents and carers	Effort
Your child actively participates and engages in most learning activities. They always try to complete and present work to a high standard.	High

Have a lovely week!

Unauthorised Entry to School Grounds

There has been a number of reports made to the school of people being on school grounds at night or over the weekends. Please understand that no one should be on grounds at these times. Nabiatic PS is sometimes (when there is no contracted work occurring on the school grounds) a share our space school. This means that during school holidays within school hours, our school grounds are open for children to use, if accompanied by a parent/carer. The Department of Education has a list of schools participating in the share our space program which is made available to the public at the start of each holiday period. **If you see people on school grounds at night or on weekends, please call the police.**
