Message from the Principal...

Dear Parents and Carers,

Welcome to Week 8!

Last week I was invited to attend a round table discussion with our NSW Department of Education Secretary, Murat Dizdar. I joined the other Principals from the Taree, Port Macquarie and Great Lakes areas to discuss the recent flooding event. This was a wonderful opportunity to look at what supports worked well and thoughts for the future.

I would like to share that we have a new member of our team, Mrs Sharon Ward. Mrs Ward will be joining us as an intervention teacher, supporting student literacy and numeracy skills. Mrs Ward has recently moved to the area and brings many years of experience with her. We are excited to have her join our wonderful school!

This Wednesday our Stage 3 students have the opportunity to participate in Rystem. The day is organised and run by Rotary and is held at Great Lakes Tuncurry Campus. Rystem aims to provide positive experiences of Science Technology, Engineering, Maths & Art. Students participate in challenges and compete with each other. We hope they have an amazing time!

Have a lovely week!

Lorelle O'Brien

Dates for your Calendar:

Week 8:

- June 16: P&C Meeting 6pm
- June 18: Stage 3 RYSTEM

Week 9:

- June 23: Premier Spelling Bee Stage Finals
- June 25: Assembly
- Years K-2 Disco

Coming up at the best little school, anywhere:

Zara Farnell was acknowledged for her outstanding athletic ability by local MP, Tanya Thompson. Well done Zara!

Assembly

Our next Assembly will be on next Wednesday 25 June at 2:15pm, which will be led by K/1 Frogs. Parents and families are welcome to attend. Don't forget to hand in blue merit awards to the office to receive your gold award.

ICAS

Only 1 week left to register for ICAS. Notes were sent home with students, if you require a new copy please contact the front office.

Krispy Kreme Donuts

Nabiac School P&C are offering Krispy Kreme Donuts! Delivered to Nabiac on 3rd July

Order forms have been sent home with families. Community members are welcome to order through the school office by June 20.

RYSTEM

Stage 3 students have just been invited to participate in the RYSTEM Engagement day at Great Lakes College, Tuncurry Junior Campus.

The RYSTEM Engagement day is a day-long competition designed to provide Year 5 and 6 students with a positive experience of Science, Technology Engineering and Mathematics (STEM). Students work in teams to complete different challenge activities, against other local primary schools.

Please don't forget to give permission and pay the \$7 cost on School Bytes. If you have any questions, please contact the front office.

School Photos

School Photos will be distributed at the end of the term.

Unauthorised Entry to School Grounds

There has been a number of reports made to the school of people being on school grounds at night or over the weekends. Please understand that no one should be on grounds at these times. Nabiac PS is sometimes (when there is no contracted work occurring on the school grounds) a share our space school. This means that during school holidays within school hours, our school grounds are open for children to use, if accompanied by a parent/carer. The Department of Education has a list of schools participating in the share our space program which is made available to the public at the start of each holiday period. **If you see people on school grounds at night or on weekends, please call the police.**

Winter is here.. Please remember to label your child's belongings

POSITIVE

BEHAVIOUR FOR LEARNING

Week 8

RESPECT RESPONSIBILITY CARE

Care: I can accept difference and treat everyone with kindness.

Accepting difference means understanding how we are alike, how we are different and treating everyone with respect and understanding regardless of the differences.

At Nabitac Public School we are fantastic at embracing difference and individuality! We make everyone feel accepted and welcome!

WE ARE ALL
DIFFERENT
AND THAT'S
BEAUTIFUL

Class of the Week

K/1 Frogs

K/1 Frogs have been working hard this term. We are busy learning new things including Drama. We have been learning how we can use our hands and faces to communicate without using words.

Writing

We have been reading about Pig the Pug. We have been using the illustrations to help us learn more about his character.

Maths

We have been looking at ways shapes can be moved either by translation, rotation or reflection. We are now moving onto time and ordering the activities in the day to the time of day.

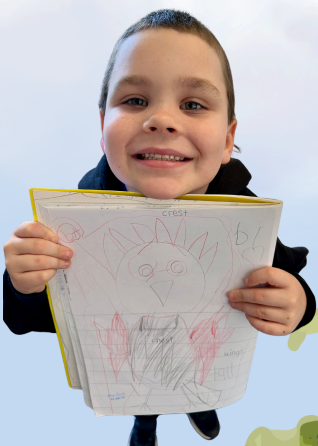

Class of the Week – K Koalas

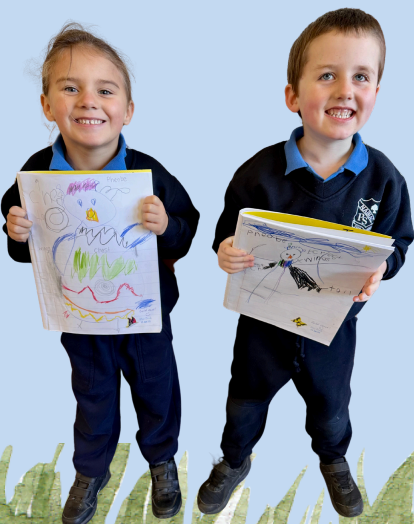

Our Kindergarten Koalas have been busy over the last few weeks, using their drawing and writing skills to describe characters from books, including “The Big Book of Bugs”, ‘Feathers for Pheobe’ and ‘Floof’.

The Koalas have also been learning to read both analog and digital clocks and enjoyed an exciting game of clock bingo.

Keep up the amazing work Koalas! Your enthusiasm for learning is fabulous!

We are learning to read the time.

School Exclusion Periods

If your child has an infectious condition, you may need to keep them home from day care or school to stop it from spreading. Here's a list of common childhood illnesses and their recommended exclusion periods.

Chickenpox

Until all blisters have dried (usually 5 days).

Conjunctivitis

Until discharge (pus) from the eyes has stopped.

COVID-19

If positive COVID-19 test, they should stay home until acute symptoms go.

Diarrhoea

1 day after the last loose bowel motion (if no cause is identified).

Gastroenteritis

1 day after the last loose bowel motion (if no cause is identified).

Hand, foot and mouth disease

Until all blisters have dried.

Head lice

No exclusion period (as long as effective treatment has started).

Impetigo

Until 48 hours after treatment or once sores have dried and healed.

Influenza (flu)

Until well.

Measles

At least 4 days after the first rash.

Mumps

9 days or until the swelling goes down.

RSV

Until acute symptoms go, and they feel well.

Rubella

At least 4 days after the first rash or until they have recovered fully.

Scabies

1 day after appropriate treatment has started.

Whooping cough

5 days after antibiotics started, or 21 days from the first cough.

No exclusion period:

- Colds
- Threadworms
