Message from the Principal...

Dear Parents and Carers,

Welcome to Week 10!

This term has been full of exciting learning experiences. Our students have been working hard in their classes, showing great enthusiasm and creativity. It has been fantastic to see their progress and the way they support each other.

On the last day of term, Year 6 students will participate in the Unleashing Personal Potential Leadership Activity Day. This is a fantastic opportunity for students to develop their leadership skills while having fun. Everyone is invited to wear non-school uniform please remember, students need to wear safe enclosed shoes and sun-safe tops (no singlets).

Our Year 6 students have an amazing opportunity to attend Tuncurry Campus for some taster lessons. This experience is designed to help prepare them for high school life and make the transition smoother. Thank you, Great Lakes Tuncurry Campus, for organising the day, including our transport!

Please note that our school will not be a Share Our Space location during the holidays due to ongoing works at the site. We appreciate your understanding and ask families to ensure their children are not on school grounds. If you are concerned about people being on school grounds at any time, please call the police.

Thank you once again for your continued support throughout the term. I wish all our students, families, and staff a safe, relaxing, and wonderful holiday. Staff return for the Staff Development Day on Monday 13 October while students return on Tuesday 14 October. We look forward to welcoming everyone back refreshed for a productive Term 4!

Mrs Lorelle O'Brien

UPP Leadership Activities

Our leaders have been busy planning a school event on the last day of school with the theme 'Unplug from Technology'. Each Leader will run an activity, emphasising the need to balance life with non-technology activities.

Noah – Basketball Drills

Chloe – Line Dancing

Cash – Card Games

Sienna – Rock Painting

Hunter – Handball

Indiana – Elastics

Friday will be an **out of uniform day**.

Please wear appropriate clothing for your chosen activity. Eg older clothes for rock painting.

School Gates

The main entry points to the school are the front gate on Clarkson Street and the side gate on Hoskins Street. During the school day, only the front gate is open; all other gates remain locked. The gates near the town and side oval will remain closed. We appreciate your understanding and cooperation.

Year 6 Farewell

Each year, we celebrate our Year 6 students' final year of primary school with a special farewell dinner and dance. With the help of a wonderful team of parents, our hall is transformed into a beautifully themed party space. In the past, we've dived "Under the Sea" and walked the red carpet in "Hollywood."

This year, students have chosen a Country Western theme, and we can't wait to bring it to life!

If you'd like to be part of the team helping to create this memorable night, please get in touch with Mrs Ashby via the front office.

We're so excited to give our Year 6 students a farewell they'll always remember!

Uniform Survey

The P&C is currently working in partnership with the school to review our school uniform. There has been a survey sent out to families through School Bytes and a paper copy supplied. Please complete one survey, either electronically or by paper by Monday, 22 September. Paper surveys can be handed in to the front office.

If you would like to complete the survey electronically, please click the link below:

PSSA NETBALL GALA DAY

On Friday, 22 of our netball girls participated in the Manning Zone Netball Gala Day. Both our NABIAC teams played 4 games each across the day. Every player demonstrated fantastic sportsmanship, skill and effort on a very warm day!

Team Blue came away with 3 wins and one very close loss. While Team White did not win any games, they improved throughout the day and bonded as a team.

Thank you to Manning Zone, particularly Mrs Pinkney, for organising such a fun day of netball for our students.

A thank you also, to Ms Amato and Miss Bridge for coaching and supporting the girls.

Library News

The students from the Meerkats were recently challenged to create their own characters with the dress ups being used to promote their imaginations. They created some very weird and wonderful personalities and later used these as writing prompts. They created character descriptions and wrote a narrative based incorporating these descriptions.
