Message from the Principal...

Dear Parents and Carers,

Welcome to Week 8!

I want to congratulate Chloe for her fantastic achievement in attending the Regional Athletics Carnival. We are very proud of her representing our school.

This week, I had the pleasure of meeting with our school leaders to hear about their ideas for a special school activity. They have been working hard through the Unleashing Personal Potential leadership program to organise a surprise day for all students. I am sure everyone will have a wonderful time participating in this fun and engaging event.

Over the next two weeks, we will be holding our 3-way interviews, starting on Tuesday. These meetings are a fantastic opportunity for families, students and teachers to connect and discuss progress and learning goals.

Mrs Dunning, Mrs Ashby, and I are attending a professional learning opportunity with Lyn Sharratt from Tuesday to Thursday. This professional learning builds on the great work we do, helping us to further strengthen our teaching practices and continue providing your children with excellent learning experiences.

The P&C meeting is on tonight at 6pm, we welcome all new members.

Have a lovely week.

Lorelle O'Brien

Assembly

Our next Gold Assembly will be on Wednesday, September 17 at 2:15 pm. Our leaders will be hosting, families are invited to attend.

Uniform Survey

The P&C is currently working in partnership with the school to review our school uniform. There has been a survey sent out to families through School Bytes and a paper copy supplied. Please complete one survey, either electronically or by paper by Monday, 22 September. Paper surveys can be handed in to the front office.

If you would like to complete the survey electronically, please click the link below:

Year 6 Farewell

Each year, we celebrate our Year 6 students' final year of primary school with a special farewell dinner and dance. With the help of a wonderful team of parents, our hall is transformed into a beautifully themed party space. In the past, we've dived "Under the Sea" and walked the red carpet in "Hollywood."

This year, students have chosen a Country Western theme, and we can't wait to bring it to life!

If you'd like to be part of the team helping to create this memorable night, please get in touch with Mrs Ashby via the front office.

We're so excited to give our Year 6 students a farewell they'll always remember!

FOUND

A special bangle has been handed into the Office, please provide a description to claim it.

Three-Way Interviews

Notes have been sent home with students to help organise three-way interviews between parents/caregivers, students, and teachers.

These notes include important information on available dates and times, allowing families to select a convenient slot for the meeting.

If you have any questions or need assistance with booking your interview, please don't hesitate to contact the school office.

Tickets for the 2025 Schools Spectacular are available through [Ticketek](#).

This year's theme, Remarkable, celebrates the extraordinary talent and creativity of students from public schools across New South Wales.

Enjoy a dynamic program of music, dance and drama, featuring traditional and contemporary performances, original compositions and innovative choreography.

Before the show, explore SpecFest, an outdoor entertainment hub with food, activations and chill-out zones for the whole family. SpecFest is free and offers the perfect preshow experience to make your day unforgettable.

[Tickets](#) for this iconic event sell fast. Book early to secure your seats.

Join us in celebrating the incredible achievements of our students and be part of an event like no other.

EDUCATION FOR SUSTAINABILITY

K-2 students attended an incursion by the Enviromentors last Wednesday. Over 3 sessions they learnt about different types of rubbish and which bins they should use. Students learnt about landfill, sustainability and even learnt about composting. Our K-2 students will now be able to use their expertise to sort out rubbish disposal at school and home.

POSITIVE BEHAVIOUR FOR LEARNING

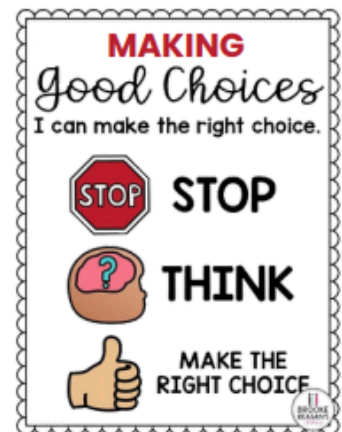

Nabiac Public School uses the Positive Behaviour for Learning (PBL) Program. The school's code of behaviour is underpinned by the expectations of:

RESPECT RESPONSIBILITY CARE

PBL Week 8

I can keep my hands and feet to myself

- At school we play games that are safe and don't involve grabbing, kicking, hitting, or wrestling each other.
- If you have a problem, you can solve it by using your words, getting help from a friend, or finding a teacher in a bright pink vest.
- We do not solve our problems by using our hands or feet.
- Playing safely is the right thing to do. It helps everyone have fun on the playground.

CONGRATULATIONS

LITERACY & NUMERACY WEEK AT NPS!

Last Friday, Nabiac Public School hosted our annual Father's Day breakfast to celebrate all the dads and father figures in our community. Staff were in early, firing up the BBQ for bacon and egg rolls, while families enjoyed a morning together filled with lawn games and laughter. The celebrations continued with our Father's Day assembly, where students shared their writing, the choir performed, and Nabibeats put on a fantastic show. We hope everyone had a fantastic Father's Day!

Stage 2 and staff had a fabulous day at the Hunter Valley Wildlife Park! Our students explored the various areas of the park and got to see lots of different animals and listen to the keepers talk about meerkats and monkeys, as well as see them feed the lions! We even got to feed some camels, goats, deer and kangaroos! Congratulations to all our students on their wonderful behaviour during the day... we all had a wonderful visit to the park!

IN THE CLASSROOM:

K/1 FROGS

We are now over halfway through Term 3, and the K/1 Frogs have been working hard, building their knowledge and skills across all learning areas. Along the way, we've also made time for fun and creativity, celebrating Book Week and attending tennis lessons with Coach Ellise.

This term, we've been developing our writing skills through a range of text types, including persuasive writing, letter writing, and narratives. This week, we're enjoying the classic story Possum Magic.

In Maths, we've have been exploring patterns and early multiplication and division concepts by building and identifying arrays. This helps us understand grouping and repeated addition. We've also been learning about measurement, with a focus on length. Our Year 1 students even created their own rulers!
