Term 4 Week 6 2025

Message from the Principal...

Dear Parents and Carers,

Welcome to Week 6!

Last Thursday, we had a wonderful Kindergarten Orientation morning. Our new Kindergarten students joined our current K-2 students for some fun dancing, while parents took part in an information session about all the great things our school has to offer. It was such a lovely morning, filled with smiles and excitement.

This Friday, we'll have the last session of our transition visits with the K-2 Teddy Bears' Picnic. It's going to be lots of fun for the children and a great chance for everyone to get together. We're looking forward to a wonderful morning.

Our School Spectacular dancers met with four other schools last Friday for their final cluster rehearsal before their big trip to Sydney. The dances are looking fantastic and our students have been working really hard. It's exciting to see everything coming together!

With only five weeks left in the school year, we have many festive activities and celebrations coming up. It's a wonderful time to enjoy all the amazing things our students have achieved this year.

Have a lovely week.

Mrs O'Brien

WHAT'S ON THIS WEEK:

WEEK 6:

- Monday, 17 November: P&C end of year dinner
- Tuesday, 18 November: Gold awards due for the year
- Wednesday, 19 November: Assembly hosted by Kinder Koalas, K/1 Frogs and 1/2 Kookaburras
- Thursday, 20 November: Day Disco
- Friday, 21 November: Kinder Transition - Teddy Bear's Picnic K-2

**Congratulations to Ayla Mathers
and Khoda Phegan, our Aussies of the Month**

RESPECT | RESPONSIBILITY | CARE

Coming up at the best little school... anywhere!

Week 7:

- Monday, 24 November: Swimming and water safety program begins
- Monday, 24 November: Year 5 Leadership speeches due
- Saturday, 29 November: NPS Christmas craft stall at the Nabiac Farmers Market

Week 8:

- Swimming and water safety program
- Tuesday, 2 December: GLC Tuncurry Year 6 Transition Day
- Wednesday, 3 December: Year 5 leadership speeches

IMPORTANT DATES FOR YOUR CALENDAR:

- Tuesday, 9 December: Year 6 Farewell
- Thursday, 11 December: Presentation Day
- Monday, 15 December: Carols on the Oval
- Friday, 19 December: Last day of Term 4 and the Year 6 Tunnel

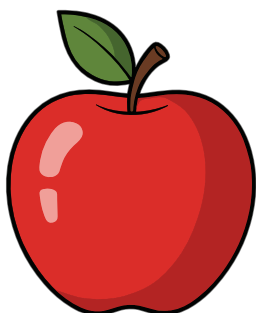

Swimming and Water Safety Program

Our annual Swimming and Water Safety Program will be held during Weeks 7 and 8. Permission notes have been sent via School Bytes. If you would like your child to participate, please submit the permission form promptly, as there are only 50 places available in the program. The program is for students 8 years and over who **cannot** swim 250m confidently in deep water.

A huge thank you to the Nabiac Village Neighbourhood Centre for generously covering the full cost once again this year!

Please Note

The canteen is being inundated with students wanting fruit cut, we will no longer be cutting fruit at school. Please cut any fruit at home before sending it to school. Thank you for your understanding and cooperation.

Congratulations!

Kinder Koalas

You did well in Week 5, Term 4!
Your collective attendance rate was:

88.42%

Which class will have the highest attendance rate this week?

Nabiac Public School

GUESS WHAT - WE WON!!

Selected students from each stage showcased their creativity in the Forster Stockland Art Competition last term and proudly came away with a win! Students explored the theme of identity by painting and drawing detailed self-portraits, accompanied by carefully chosen artist statements that reflected their inspiration and artistic voice, supporting the creative high potential and gifted domain learning. To celebrate the whole school's involvement, a collaborative mosaic artwork featuring our school mascot, Clarky the blue tongue lizard, was also created. Each student contributed by holding a board showing their dream job, symbolising our shared aspirations and the unique talents within our school community.

Dahlia Bulbs

Our school garden - The Nabi-Patch - is growing beautifully, and we'd love your help to make it even more colourful!

We're on the lookout for dahlia bulb donations to brighten up our garden beds and give our students more opportunities to learn, plant and grow.

If you have any spare dahlia bulbs or know someone who might, we'd be so grateful for your contribution!

Donations can be dropped off at the school office.

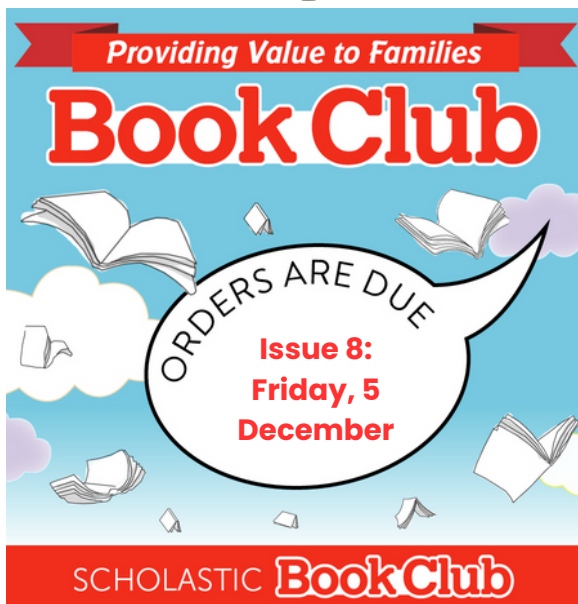

Forster Local AECG

Christmas Party / meet and greet

Thursday 4th December 1.30pm

Forster Bullring

If you have Aboriginal school aged children and would be interested in learning about what our local Aboriginal Education Consultative Group is all about, we invite you to attend, meet our new committee and have a BBQ lunch with us.

NABIAC PUBLIC SCHOOL

KINDERGARTEN TRANSITION

TEDDY BEAR'S PICNIC

For Preschoolers,
Kindergarten, Year 1 and Year 2
Friday 21st November
9:45-11:00

Bring your teddy and your lunch.
Wear a hat and bring a drink bottle.
Be ready for some fun teddy activities!

CRAFTS GIFTS SEEDS

IN THE CLASSROOM

1/2 Kookaburras

1/2 Kookaburra students learnt how to follow video instructions to build Leo's camp and create an animal alarm. Then they coded using an iPad the alarm to light up and play alarm sounds every time a blue creature walked by. We have now pulled this lesson apart and are onto our next coding project in our Friday technology lessons.

Respect | Responsibility | Care

K/1 Frogs and 5/6 Pelicans have been working together to publish the informative writing pieces our youngest students have been creating. A wonderful example of collaboration and peer support across stages!

TUNCURRY CAMPUS

For students starting in Year 7 in 2026,
you're invited to join us at the

YEAR 7 ORIENTATION DAY

Tuesday
2 December 2025
9:15am - 3:00pm

Students will have the opportunity to become familiar with our school's structure and processes, experience taster lessons conducted by our teachers and begin building rapport with their year group.

Students are to make their own way to and from Tuncurry Campus on the day. School bus services run in most locations of our feeder school areas. Parents will be informed by their relevant primary school if their school is making any other travel arrangements.

The day will commence at 9:15am in our Movement Studio. Students are asked to meet by 9am at grassed area at the front of the school (near the flagpoles). Parents are welcome to stay with students until they move into the school at 9:15am. The day will end at 3pm. Students catching buses will be guided and supervised at the end of the day.
BBQ lunch will be provided for students on the day.

INDIGENOUS BREAKFAST & TRANSITION

We invite the 2026 year 7 indigenous students and their parents/carers to join us for a BBQ breaky meet and great with our amazing Aboriginal Education Team as engaging with our current ATSI students from year 7 to 10.

12/11/25 & 19/11/25

Weeks 5 & 6

Time: 8:40am to 10:00am
Location: Aunty Mae's Hut,
GLC Tuncurry Campus

Hosted in support of Tuncurry Campus
by Ashlee Smith, Keegan Dodd, Casey
Buckshiram & our Aboriginal Education
Team. Please call (02) 6555 0500 for any
enquiries

POSITIVE BEHAVIOUR FOR LEARNING

Nabiac Public School uses the Positive Behaviour for Learning (PBL) Program. The school's code of behaviour is underpinned by the expectations of:

RESPECT RESPONSIBILITY CARE

PBL Week 6

Respect: I can listen and follow instructions.

Listening to ALL teachers and adults is respectful. Following instructions from ALL teachers and adults at school is important. Everyone comes to school to learn and be safe. By listening and following instructions, you are making the right choices and ensuring everyone has a good day at school.

A Message to Year 6 Families

As we prepare for end-of-year celebrations (farewell and yearbook), we would love your help in collecting a baby photo of each Year 6 student.

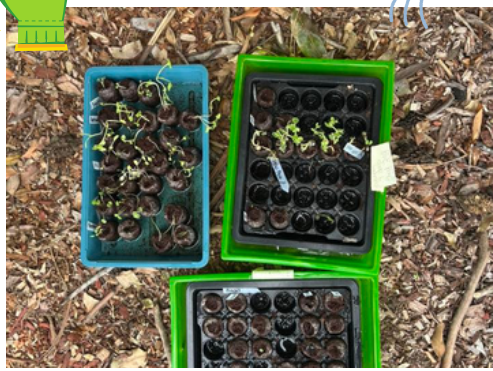

If your child has not been at Nabiac since Kindergarten, we would also love to include a few photos from their earlier school years (around 4–5 photos) to help us celebrate their primary school journey. Photos can be sent in as a labelled hard copy to the front office, or they can be emailed directly to our school email account at Nabiac-p.school@det.nsw.edu.au.

Please note that hard copies will be scanned and returned safely to you.

Thank you for helping us make this milestone such a memorable one for our Year 6 students.

A healthy lunchbox is made up of everyday foods:

Back in August this year we did some gardening in the Tech Hub!!! Yes, that's right, tech and gardening together. Using the stem.T4L NSW Aeroponics Kit, we grew food from seeds without soil, just air, water, sunshine and liquid nutrients. Our gardeners loved checking in on the plants progress. It's been amazing to see science, technology and nature working hand in hand. And the best part? There'll be some fresh, delicious lettuce in the canteen tomorrow, grown right here at school.
