BEAT PLASTIC POLLUTION

World environment day is celebrated on the **5th of June** annually. The theme for 2025 is 'beat plastic pollution through best practices'. According to United Nations figures, globally, an estimated 11 million tonnes of plastic waste are leaked into aquatic ecosystems each year. More than 800 marine and coastal species are affected by this pollution through ingestion, entanglement, and other dangers.

COOKING LESSONS

This week it was Lucy, Eva and Atharah's turn in the kitchen. The girls worked with Mrs H to create a wonderful chicken adobo.

STUDENT SURVEY

In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home, and return it to the school.

Further information about the survey is available at

<https://education.nsw.gov.au/npss>

INSIDE THE CLASSROOM

We learnt drum beats and tried drumming to a music track. It was really fun!!!

We did a group activity to practice reverse calculations using counting blocks

We had an initial attempt at stitching our library bags as a display for the Lake Show.

This was our brain break activity with Ms. Nat playing sea, ship and shore

CLASSROOM NEWS

Cookery Friday

We made a Traditional Filipino dish; Chicken Adobo with Rice.

Atharah, Lucy and Eva did the meal preparation with the help of Ms. H

WEEKLY HIGHLIGHTS

PDHPE

We spoke about resilience and the importance of our reactions

Maths

This week we learnt about reverse calculations through classroom activities and group work

10	+	2	=	12
12	-	10	=	2
12	-	2	=	10

English

we practiced reading for our fluency test.

Important Reminders.

- School Library period will take place every Friday and students are encouraged to borrow books to take home for reading. Please send a cloth bag to carry the books home and please ensure to return the books on Fridays.
- We have decided to do lunch heat ups from **Monday- Thursday** as we are heading into the winter season. Please feel free to pack food to be warmed up for lunch. However, no food will be heated up on a Friday as lunch is cooked in school.
- Please ensure that the weekly homework pack is returned to school on Fridays.

Students of the week..... Week 6

Aizen Tabada for showing kindness and helping his friends in the classroom

Tillan Meadows for showing improvement and great interest in his CER work

ARE YOU A SEWER?....

We are working on our school display for the Lake Show which will be on Saturday 30 August.

This year, the theme is "All that could be sown- sewn"

The students will be designing and stitching their own library bags as exhibits.

We appreciate extra hands with creative sewing skills... if anyone is able to support the students on Wednesdays 2-3pm, please contact the school Office.
