From the Principal's Pen.....

Dear Parents and Carers,

Welcome to our new look newsletter. Remember our School Newsletters are published in Week 5 and again in Week 10 of each term.

Our recent Multicultural Day was a great success, and I thank the parents and carers who joined us for the Special Assembly.

We were also very pleased with the great turnout for the Easter Hat Parade. Our P&C did a wonderful job of putting the raffle together and we are pleased to announce that over \$3000 was raised. The Mothers' Day afternoon tea was another successful event which was well attended.

The School Photographer was very prompt in returning the Class and Individual photos this year. I hope you were pleased with the quality!

Please keep a look out for the Invitation to join us at our upcoming Parent Session on 'How You Can Help Your Child with Reading' and 'How Reading is Taught at NVPS' on Tuesday 10th June.

In our next edition the Deputy Principal's will add a piece in the newsletter and I hope you like this edition to the newsletter. We will feature a Stage and share their learning.

In this edition we have included an update on Kindergarten's Learning - their recent excursion to Calmsley Hill City Farm.

Until our next edition in Term 2,

Michelle Sarjana

KINDERGARTEN EXCURSION CALMSLEY HILL CITY FARM

Our kindergarten students recently attended an exciting excursion to Calmsley Hill City Farm, where they engaged with nature and learned about farm life firsthand! This hands-on experience allowed students to explore the environment, interact with animals, and understand the importance of agriculture in our daily lives. Through guided activities, they developed their observational skills and enhanced their understanding of living things, which connects directly to the NSW Early Stage 1 syllabus outcomes. The excursion fostered curiosity and a sense of responsibility towards the environment, making learning both fun and meaningful. We can't wait to share the wonderful experiences and connections made during this unforgettable day!

WORKING BEE

Earlier this month we had a working bee and a group of P&C families, and a few staff members worked very hard on beautifying our school by gardening, digging and planting some new plants. The school garden looks much improved, and I know the help was very much appreciated by our GA Mr Stephenson.

THANK

YOU
