Healthy Harold

Learning about keeping ourselves healthy

Our School Vision

At Nimmitabel Public School, we aim to nurture a positive, respectful, and encouraging environment where every student is supported to embrace all learning opportunities.

Principal's Note

We are coming to the end of Term 1 already! Parents and carers are invited to come in and have a chat with teachers about their child's goals for the year so far. Appointments can be booked on School Bytes, under 'interviews'. We would love to see **all** families, as it is such a valuable connection to have between home and school.

Students have been very responsible in keeping safe with snakes and European wasps around. We have had a very interesting couple of weeks with these creatures hanging around our school.

Our students in Year 3 have completed their NAPLAN assessments over the past few weeks. They took it in their stride and did their best, well done girls!

Healthy Harold

Students had a very fun time visiting Healthy Harold in the van on Monday.

Students in Years K-2 participated in activities with a focus on learning about the benefits of physical activity, overcoming challenges, behaviours that promote health and wellbeing and strategies to manage feelings and emotions.

Students in Year 3-6 learnt all about the systems in the body and the food, vitamins and activities they can do to help keep these systems healthy.

'Kallarroo' excursion

Thank you to Bea for having us at her place for school photos and a little excursion to see the different animals on her farm.

Students have been learning about life cycles and animals in science, and it was nice to see the different types of animals and where they live at the farm.

Coming up!

District Cross Country at Delegate

Students who are turning 8 or older this year have the opportunity to represent our school at Delegate this term for the district cross country.

Students who are coming will meet Mrs Allen and Linda at the school in the morning.

All other students will attend school as normal. Mrs Wall and Ms Rogers will be at school during the day.

Aspire UC at Bredbo

We are heading out to Bredbo for our first Aspire UC day for the year. Permission is on School Bytes.

The theme for this visit will be careers in the outdoors and the skills required for people who work in the outdoors.

Library News

All students are encouraged to borrow books regularly. We have beautiful books in our library and every different book your child reads means their brain makes another connection and grows some more.

If you are worried the books might get lost, have a special shelf at home where the books go back to and are ready to be returned each Friday.

Library is held every Friday afternoon at school. Each child needs a **library bag** to keep the books clean and safe.

Happy reading! Frau Swan

Community Events

Snowy Mountains Motorcycle Club presents

CYCLES ON THE GREEN

Hosted by The Nimmitabel Country Club

Return and Earn recycling at school

Our bottle recycling is ready for a new year! This was a good source of fundraising in 2024, and we look forward to helping our school and the environment even more this year.

It was decided in the P&C meetings last year that the family rostered on to do canteen for the fortnight would take a load of bottles and cans. Staff are also able to help when needed.

P&C News

Our next P&C meeting will be on:

TBA

P&C membership is \$2 per member per year. To be a member of the P&C and receive meeting minutes etc, please send your \$2 in to school.

Please find attached to this newsletter a note outlining some of the changes to our canteen this year.

Attendance

Attendance Update Weeks 7-8, Term 1

Our Week 7 and 8 attendance rate has been **96%** which is the best for the year so far.

We are seeing outstanding learning happening in the classrooms with consistent attendance!

Top attender for Weeks 7-8: Annabella!

Regular school attendance = stronger social connections and better educational outcomes.
