Term 3 Week 9 - Monday 15 September 2025

Our School Vision

At Nimmitabel Public School, we aim to nurture a positive, respectful, and encouraging environment where every student is supported to embrace all learning opportunities.

Principal's Note

Trivia Night Appreciation!

Congratulations to our hardworking P&C members who organised a fun community event for the 2025 NPS Trivia Night on Friday, 12 September. The food was delicious, and there were many great prizes for the raffles. I was very proud of our school that night, and there have been many positive comments about how much fun it was! The staff at NPS also deserve a round of applause for their help preparing for the evening and assisting me with the trivia plans.

Lion's Club Luncheon

A huge thank you to families who brought their children to the Lion's Club luncheon on Saturday, 13 September. It was wonderful to have the Nimmitabel Public School Choir perform and showcase our students' talents. The students who attended were excellent representatives of the school, displaying outstanding manners and behaviour throughout. We are very grateful to the Lion's Club for their generous donation of \$2000 towards our Term 4 swimming lessons.

Recent Grant Success

We are pleased to announce that the school has been successful in securing the 2025 *Boco Rock grant*. We have received approximately \$3,500 to fund outdoor games, mini trampolines, and outdoor cushions for relaxing. Thank you, Boco Rock, for supporting our students and school.

Additionally, we have received confirmation that the *Sporting Schools grant* will cover the remaining costs of our swimming lessons, in combination with the Lion's Club donation.

Congratulations Isabella!

Congratulations to Isabella on her recent efforts at the Regional Athletics carnival, where she represented our school and the Snowy Mountains district in the Junior Girls Shot Put in Wollongong. We are all very proud of her!

Kinderstart Days

If you know of any children starting school next year, please let their families know about our Kinderstart program. Dates can be flexible if needed, and it's a great way for children to become familiar with the school before beginning kindergarten.

Coming Up:

- Aspire UC visit to NPS: Thursday, 18 September

Next Term!

- School Swimming: Weeks 1 and 2 - start getting swimmers, towels, and goggles ready!
- First Aid in Schools program: Thursday, 30 October (TBC)

As always, a huge thank you to everyone for your continued support of our school. I feel very grateful to be part of our community.

Rosie Allen

Contacting the school

Please contact the school if you have any questions, suggestions or would like to talk about your child. Call, text or email and we will get back to you within 2 working days.

Kara is busy organising a Talent Show for Term 4, with students preparing acts and items. We encourage all students to give it a go - options could include reading a poem or short story, singing, playing an instrument, acting out a story, doing a dance, telling jokes. Details are still being finalised - stay tuned! Parents and carers are invited to come and watch our wonderful students stepping out of their comfort zones and showing some of their talents.
