Attendance Matters

Overcoming Barriers to Attendance

As we head into the final part of the school year, we'd like to remind families that when it comes to attendance — we're here to help.

For some families, attending school every day can be challenging due to factors such as health issues, transport difficulties, or emotional wellbeing concerns. We recognise that these barriers are real and sometimes complex. If something is making it hard for your child to attend, please don't hesitate to reach out to us.

We're committed to working with you to find practical solutions that make regular attendance possible. Whether that means connecting you with support services, offering advice, or simply listening, we want every child to feel safe, welcome, and supported at school each day. No family is alone in this journey — we're here to help.

Attendance goal: 90% or greater

Current school attendance rate: 90.92%

Classroom Curriculum

Uninterrupted, Sustained, Silent Reading

Sustained, silent reading is an important lifelong skill for children because it:

- Improves reading fluency
- Builds concentration
- Strengthens vocabulary and comprehension
- Develops independent thinking
- Promotes lifelong reading habits
- Stimulates imagination

Although some classes already enjoy D.E.A.R (Drop Everything And Read) time, it will become a whole-school focus where each day, teachers and students will read for a sustained amount of time in a peaceful, silent environment.

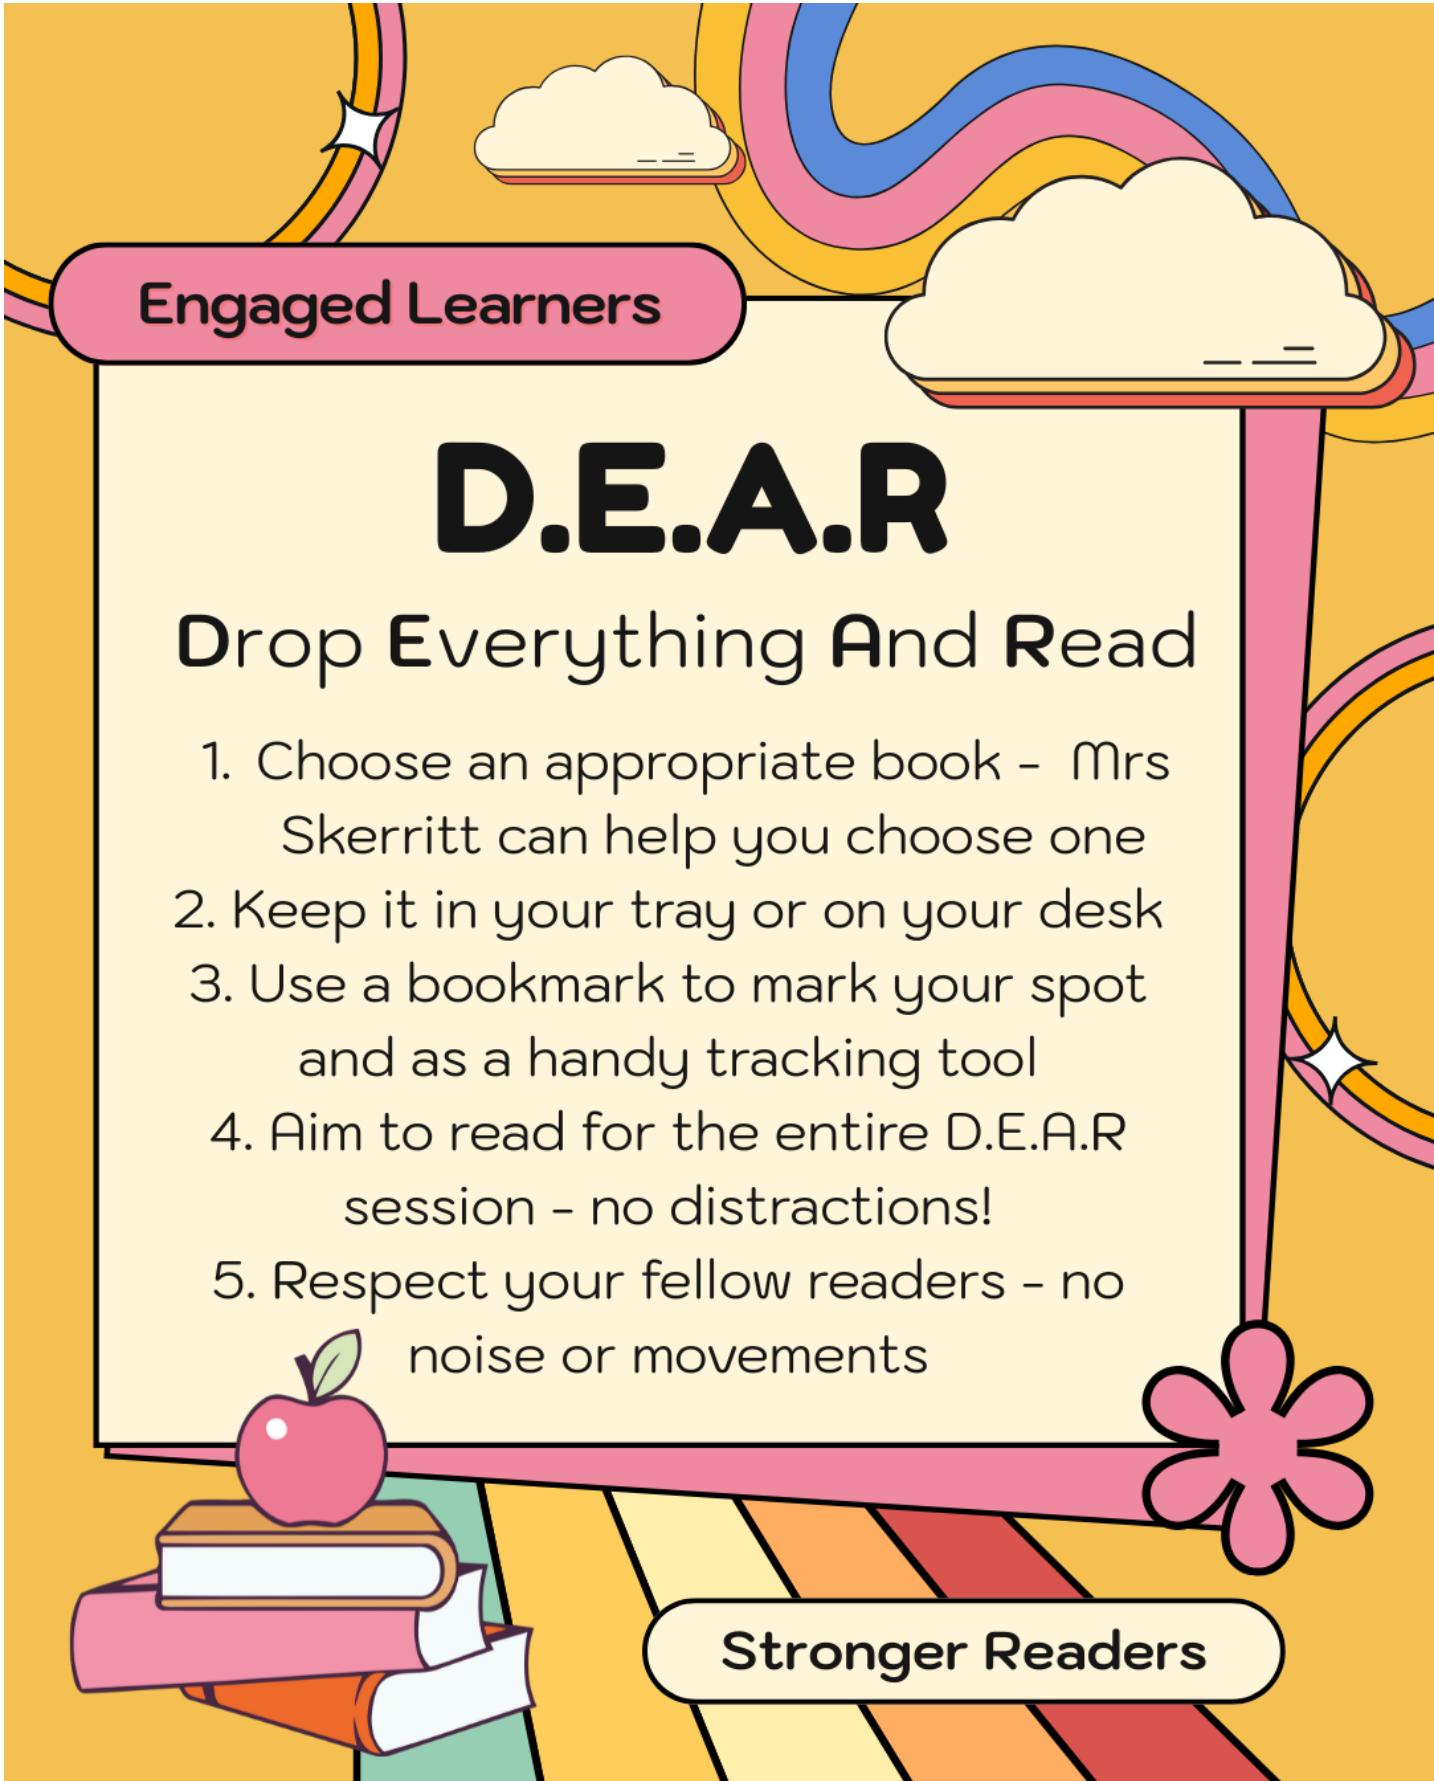

Mrs Skerritt, our school Librarian, will support their reading experiences by helping students choose exciting and engaging texts from the library to make reading a joyful part of their daily routine!

Junior Band 2026

I can't believe it's already time to start thinking about Junior Band in 2026!

We will be holding our Junior Band Information Session for families early in Term 1, 2026.

Until then, here are a few key pieces of information to know and think about:

- * Junior Band is for interested students in Years 3-6 in 2026
- * This is a Concert Band program, so our instruments are flute, clarinet, saxophone, trumpet, trombone, euphonium, bass guitar, glockenspiel, keyboard (as tuba) & percussion
- * All instruments are important, and students need to be prepared to try anything
- * Instruments can be hired from the school at extremely reasonable prices (I strongly suggest you don't buy anything in anticipation)
- * Expressions of Interest and auditions for instruments will take place in the weeks following the Information Session
- * Band Camp at the Francis Retreat in Bonny Hills (1 night) is an important part of our program
- * Exact costs for 2026 are yet to be confirmed but allow \$750ish for the year (**including** Band Camp)
- * Commitment, regular practice and resilience are essential for success! Please seriously consider whether you and your child are ready for this. There is no harm in waiting a year.

If you have been to any of our recent performances, you would know that we punch well above our weight with our Band Program. We are extremely proud of our young musicians and look forward to welcoming the next bunch of Juniors!

Stay tuned for further updates!
