

Principals Message

As we approach the conclusion of Term 2, I would like to take a moment to reflect on the incredible journey we have shared over the past few months. This term has been filled with achievements, challenges and growth, I couldn't be prouder of our school community and our students.

Our students have demonstrated remarkable dedication to their learning, embracing new opportunities and striving for excellence. Witnessing their enthusiasm and commitment during classroom visits has been truly inspiring.

In addition to academic successes, our school community has united through various activities.

Staff Farewells

Mrs. Elsworth

With a mix of gratitude and bittersweet emotions, we announce the retirement of our remarkable Assistant Principal, Mrs. Cathie Elsworth, after more than 39 years of dedicated service to public education. As she begins this new chapter, we take this moment to reflect on her outstanding contributions to our school and the lasting impact she has had on our students and community.

Throughout her extensive career, Mrs. Elsworth has been an exceptional leader, consistently inspiring both colleagues and students with her unwavering commitment to educational excellence. Her focus on prioritising students in every decision has fostered a nurturing and positive environment where learning can truly thrive.

As a devoted class teacher, Mrs. Elsworth has not only imparted knowledge but also ignited a passion for learning in countless students. Her ability to connect with young minds has shaped many future leaders, instilling in them the confidence to pursue their aspirations. The love and care she has shown for our students have left an indelible mark on our school community.

While we will greatly miss Mrs. Elsworth, we are incredibly thankful for the legacy she leaves behind. The positive influence she has made will continue to guide our school for years to come. As she transitions into retirement, we hope she carries with her the knowledge that her work has made a significant difference in the lives of many. On behalf of Northlakes Public School, we wish Mrs. Elsworth all the best in this exciting new phase of her life. Thank you, Mrs. Elsworth, for all you have contributed to Northlakes Public School and public education.

Mrs. Walters

It is with a blend of appreciation and sadness that we announce the farewell of our relieving School Administration Manager, Karina Walters, as she moves to a new area and embarks on an exciting new lifestyle.

Karina has been an invaluable part of our school community, and her contributions have profoundly impacted our students and families.

Throughout her time with us, Karina has dedicated herself to supporting our students in countless ways. From her tireless efforts in assisting with playground upgrades to ensuring that our administrative processes run smoothly, her commitment to creating a positive environment for our children has been evident in all her endeavours.

Karina's passion for supporting students and their families has been truly inspiring. She has consistently gone above and beyond to ensure that everyone feels welcomed and valued, making a significant difference in our school community.

While we will miss Karina dearly, we are excited for her as she begins this new chapter in her life. Please join us in wishing her all the best in her future endeavours. We are grateful for the time we shared and the positive impact she has made on our school.

Mrs. Muldoon

We would like to bid farewell to Mrs. Vicki Muldoon, our permanent School Administration Manager, as she moves into retirement. Mrs. Muldoon has made valuable contributions to Northlakes Public School during her time here.

As she transitions into retirement, we wish her all the best for this exciting new chapter of her life. We hope she enjoys the time to pursue personal interests, spend time with loved ones, and embrace new adventures. On behalf of Northlakes Public School, we wish Mrs. Muldoon a safe and happy retirement.

I would like to take this opportunity to express my gratitude to our amazing Northlakes staff. Each day, our teachers and support staff go above and beyond to create a positive and engaging learning environment. Their hard work, creativity, and passion for education significantly impact our students' lives. It is through their efforts that we continue to nurture a culture of excellence and support within our school.

Thank you to our wonderful families for your ongoing support and dedication to our school. Wishing you all a safe and happy school holiday break. I look forward to welcoming everyone back, ready for another exciting term ahead!

Principal

Jackson and Cohen Shine at State Ten Pin Bowling Competition

Jackson and Cohen from K-6M proudly represented Sydney North at the State Ten Pin Bowling competition. Jackson's team secured 2nd place, while Cohen's team achieved 3rd place. Congratulations to both boys!

A heartfelt thank you goes out to the community for their support in helping them attend the tournament by purchasing raffle tickets. All prize winners have been contacted.

Boccia Tournament

On Thursday 12th June, five amazing representatives from Northlakes Public School made their way to Niagara Park to compete in the annual Boccia tournament against schools from across the Central Coast. Their behaviour, sportsmanship, effort, and skill were outstanding, leading to more victories than defeats and an incredibly enjoyable day!

Congratulations to Liam, Connor, SJ, Ryan, and Jordan! We are extremely proud of your achievements.

PSSA Netball

Thank you to all the amazing students who represented Northlakes Public School at PSSA Netball on Thursday 19th June. Everyone improved out of sight over the 4 games we played and showed fantastic sportsmanship and resilience throughout the day. Also, a big thank you the wonderful families who came to watch. Everyone should be proud of their efforts!

The Rocks Walking Tour

On Friday, June 23rd, Stage 2 students and teachers enjoyed a fantastic walking tour of The Rocks in Sydney. Year 3 and 4 students are currently exploring a unit that focuses on the arrival of the First Fleet in Australia.

During the guided tour, students learned about the British colonization of Australia and its effects on the Eora people. Additionally, they had the chance to dress up in soldier and convict costumes, taking on the identities of significant historical figures.

PSSA Soccer Knockout Competition

On Monday, June 23rd, students from Northlakes Public School took part in the PSSA Soccer Knockout Competition, which took place at Doyalson Soccer Club. A total of nine teams were involved; five male teams and four female teams

Each team competed in two matches. The support among the students was truly commendable, and it was delightful to witness the joy reflected in their smiles.

Positive Behaviour for Learning (PBL) Program

Throughout Term 2 we have continued to have weekly focus areas for our Positive Behaviour for Learning (PBL) program. All focus areas have expectations which have originated in our Northlakes Non-Negotiables. Our core values are Respectful, Safe, Learner.

All lessons explicitly teach the expected behaviour and regular reminders are provided at Morning assembly and just before each break. During the second half of this term, we have focused on Right place right time - Toilets, Respectful to our environment, Respectful and Safe in the fort, Learners, Entrance and Exit routines and Safe. Each focus area is displayed around the school, and it is posted on Facebook for our parents and community to be aware of.

This term we have been using our Storkie tickets for house groups to work towards the end of term reward sessions. The winning house will get first choice of the activities being held on our end of term reward session.

There will be sport activities, STEM activities, Technology – Minecraft world or a Movie as the activities offered in the reward session which will be held on the last day of this term.

As an extra special treat, 92 students who have consistently demonstrated all three expectations, Respectful, Safe, Learner, have been invited to attend Morning tea with the Principal, Mrs Lindsay. This is only offered to a limited number of students each term. This term, the lucky students will enjoy party pies and sausage rolls with Mrs Lindsay.

Respectful

Success Criteria:

- We follow teacher instructions - "Yes ok, straight away."
- We wait for our turn to speak, and we listen carefully.
- We help our peers and speak politely.
- We remove our hats and hoods when indoors.
- We sit in our designated seat/spot in the classroom.
- We make sure our rubbish goes in the bin.
- We use kind words and appropriate language when we speak to others.
- We keep our hands and feet to ourselves.
- We follow the rules of the game.
- We wear our school hat when we play on the oval.

At Northlakes Public School we are LEARNERS.

Success Criteria:

- We move to lines when the music starts playing and we are lined up quietly before the bell rings, waiting for our teacher's instructions.
- We use the toilets and bubblers in break times.
- We follow the same expectations from all teachers, and we follow all teacher instructions - "Yes ok, straight away."
- We accept changes to our usual timetable.
- We respect that our peers have the right to learn so we wait for our turn to speak, and we listen carefully.
- We only leave the classroom with our teacher's permission, and we go straight there and straight back quickly.

NORTHLAKES PUBLIC SCHOOL KINDY START INFORMATION

We are excited to launch Kindy Start, our Kindergarten Transition Program to help young learners start school with confidence. Students will enjoy fun activities to explore their new school, meet teachers, and make friends, while parents can connect with our staff. Together, we will make sure every child feels safe, valued, and ready for a great start to kindergarten!

Our Partnerships

We partner with Government, charities, health funds, schools, preschools, daycare providers, corporate groups and community groups to provide high quality and accessible speech therapy for our clients.

We offer the following services to our partners:

- Parent Training sessions regarding normal communication and milestones
- Professional development for Teachers and in class support
- Nursing Home Staff training sessions in Communication and Safe Swallowing
- Bespoke school programs including speech and language sessions for individual students, small groups and whole classes; full and half day programs, screenings and assessments for additional funding.
- Programs for disadvantaged schools with limited budgets
- Large scale screening programs for day-care providers
- Assessment and therapy for clients in multiple locations
- Work based therapy programs for adults at supported workplaces

Funding

Communicate Speech Pathology is a registered NDIS provider.

Our therapy sessions are also covered by Medicare, DVA and Private Health Fund rebates for eligible clients.

Please contact our experienced Intake Team on 02 9328 3444 or info@communicatespeech.com.au to discuss which funding options and rebates are available for your therapy sessions.

Our Point of Difference

We differentiate ourselves from other Speech Pathology practices through the quality of our offering, our highly trained staff, value for money services, reliability and unique vision.

We are mobile speech pathology experts with a tried and tested approach to speech therapy that ensures excellent outcomes for those under our care.

Our team of highly experienced therapists with their wealth of knowledge always strive to go above and beyond for our clients.

Our Vision

"To enrich the lives of all adults and children in our community through the recognition and development of their abilities. To enable all clients to access the therapy best suited to their needs and to engage and inspire our community to support them in this endeavour."

Our Practice

Communicate Speech Pathology was established in 2004 and has grown to be one of Australia's largest and most respected mobile Speech Pathology practices. We cover more than 550 suburbs across Sydney-wide, Wollongong, Newcastle, Melbourne and Rural NSW.

Since our inception we have treated thousands of clients in their homes, pre-schools, day-care centres, primary schools, high-schools, supported workplaces, assisted living environments and nursing homes.

Why Mobile?

We developed our client-centred mobile model to ensure our clients have access to therapy in the environment that suits them best.

Our mobile therapy is convenient, accessible and individualised, incorporating everyday, functional and meaningful communication goals.

By working in our client's environment, we can work alongside family members, caregivers, teachers and other health professionals who can help to support the speech therapy program and assist in generalising therapy gains.

Mobile therapy allows a more holistic approach to therapy, beyond what can be achieved via a clinic-only approach.

Who Do We Help?

We work with clients of all ages - paediatric, adolescent, adult, geriatric, and treat all types of communication and swallowing difficulties including:

- Speech and Language Delay
- Stuttering - Adult and Paediatric
- Learning Difficulties
- Literacy Difficulties
- Dyspraxia
- Voice Disorders
- Paediatric Feeding including fussy eaters
- Alternative and Augmentative Communication
- Autism Spectrum Disorders
- Fragile X Syndrome
- Down Syndrome
- Cerebral Palsy
- Hearing Impairment
- Global Developmental Delay
- Selective Mutism
- Adult Speech and Language Disorders
- Adult disability
- Traumatic Brain Injury
- Adult Progressive Disorders such as MND, Parkinson's Disease and MS
- Aphasia following stroke
- Primary Progressive Aphasia
- Dysarthria
- Dysphagia
- Clients with Complex Needs

Our Team

The Communicate team is comprised of the most highly skilled, passionate and empathetic Speech Pathologists. All members of our team are required to participate in Communicate's Professional Development Program to ensure their continued learning and professional growth. This investment in our team allows us to uphold our reputation for the highest level of care and outstanding results for our clients.

Our therapists are kind and understanding in their approach and encourage our clients to reach their goals. We love to make a big difference in our clients' everyday life.

Our therapists are:

- University trained, fully qualified Speech Pathologists
- Certified Practising Members of Speech Pathology Australia and participants in their Professional Self-Regulation Program
- Registered with Medicare and private health funds
- Registered to provide NDIS funded therapy sessions
- Trained in a wide range of treatment methods and approaches
- Current with Working with Children Checks, National Police Checks and Working with Vulnerable People Checks
- Covered by the relevant health professionals insurance

IMAGINE IF YOUR SCHOOL HAD ITS VERY OWN SPEECH PATHOLOGIST

THINK OF THE POSITIVE IMPACT ON STUDENTS WHO NEED EXTRA SUPPORT

Our Daily Rate Speech Pathology Service is not as costly as you think!

Every day we speak with teachers who tell us about the large number of children entering their schools with speech and language difficulties.

We know you see the day to day struggles of these children who can't keep up with the curriculum or their peers. We're also aware of the limited time and resources you have to remediate these difficulties.

When so many children at your school are in need and parents cannot afford or easily access therapy what is the solution?

INTRODUCING OUR DAILY RATE SPEECH PATHOLOGY SERVICE

Our most flexible school program, you can choose from:

- A Full or half day program that is 100% bespoke
- One or more therapists, one or more days per week depending on the goals you wish to achieve
- A suite of services for individual, small group, whole class, screenings and other programs
- A strategy designed specifically for your school to ensure the maximum number of children benefit from the service
- A range of complimentary teacher training sessions to further develop your staff's understanding and awareness of communication difficulties

Our Results

Here is what teachers have to say about our daily service program:

"The Communicate Daily Program was so successful, we increased it from one to three days a week!"

"We have benefited from the professional service 'Communicate Speech Pathology' for almost a year. This has been so advantageous to our families who otherwise have struggled to access speech therapy for their children. The process organised by the director with the school to provide ongoing therapy has been succinct with positive outcomes."

"The therapists have been great both in their professionalism and in their positive interaction with the students. All the therapists have been very approachable and flexible working in with the school routines and timetables. The service you provide and have done so at the school over the last 4 years has been amazing and the benefits for the students have been immeasurable. So many of our families are just not able to access private speech therapy for their children and the availability of the mobile program that you have provided for our school has been wonderful and greatly appreciated."

Benefits of School-Based Speech Therapy with Communicate

- Communicate Speech Pathologists and teachers collaborate and support each other to establish goals, problem solve and monitor student progress
- Teachers provide excellent insights into the child's strengths and weaknesses so therapy objectives and strategies can be tailored accordingly
- Therapy is more accessible for students from low socio-economic backgrounds and non-English speaking families
- Our therapists complete more than 85hrs per year of Professional Development which ensures the highest level of service
- Our large team ensures continuity and reliability of service.
- Cancel the program at any time if it is not meeting your school's expectations.

Call us today for a chat or to arrange a visit from one of our dedicated team. Let's work together to improve outcomes for the students at your school!

"Communicate Speech provide our students, teachers and parents with outstanding support. The therapists we have worked with have always been very caring and responsive to our students' needs. They collaborate effectively with our teachers to ensure that the strategies used in speech sessions are reinforced in classrooms. The Communicate Speech team are very flexible and work seamlessly within the dynamic school environment.

Our students are always eager to attend their speech sessions and many parents have expressed their appreciation and gratitude for their child's progress as a result of their involvement in the program.

The Communicate Speech team have provided an exceptional service to our community for the last three years. We highly recommend their services."
