Dear Families and Carers,

Our busy term 4 is well under way. Our students are still participating in the swimming program this week and are making great progress. Stage 2 and 3 are taking part in an Dragon Tag gala day on Friday and we look forward to hearing about the day. Please ensure all permission notes are signed on Sentral.

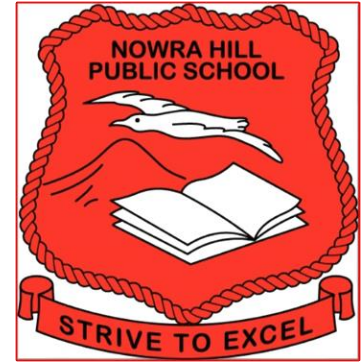

Tuesday 11<sup>th</sup> November the school is holding a Remembrance VETS Fundraiser where all students can wear red t-shirt to school. Students are more than welcome to wear their sports uniform shirt on that day if they have no other red shirt. Normal school pants/culottes are to be worn. Please bring a gold coin donation.

Next Wednesday will see our new kinder students for 2026 participate in their first orientation session. I know many are very excited about coming to 'big school' next year.

Our P&C are holding a fundraiser on Thursday 13<sup>th</sup> and will be providing students the opportunity to purchase a sweet treat for recess. Forms went home with students earlier this week.

Please check the calendar on Sentral for all up and coming events and please let grandparents know about our combined Christmas concert and Grandparents Day on 9<sup>th</sup> December. We hope to see lots of nans/pops/grandmas/grandpas on the day. Presentation day is also on the same week with it being held on Friday, 12<sup>th</sup> December.

With the unusual weather we are finding lots of jumpers and jackets in lost property. Please have your child check lost property in the office if you are missing anything. Please also ensure all items have your child's name on them for easy return.

### Classes of the Fortnight

1/2P and KH

Last Friday was World Teachers Day. World Teachers' Day is an important time for our school to celebrate and thank our teachers. It's a chance to appreciate their hard work, passion, and skills. Teachers do more than teach facts—they inspire curiosity, kindness, and strength in our students. They are the key to our school's success, creating a welcoming and positive place to learn. We are very grateful for our teachers' effort, creativity, and patience. Their influence goes beyond the classroom by helping every student reach their potential. On World Teachers' Day, we said a big thank you to all our teachers and promise to continue supporting and valuing the important work they do.

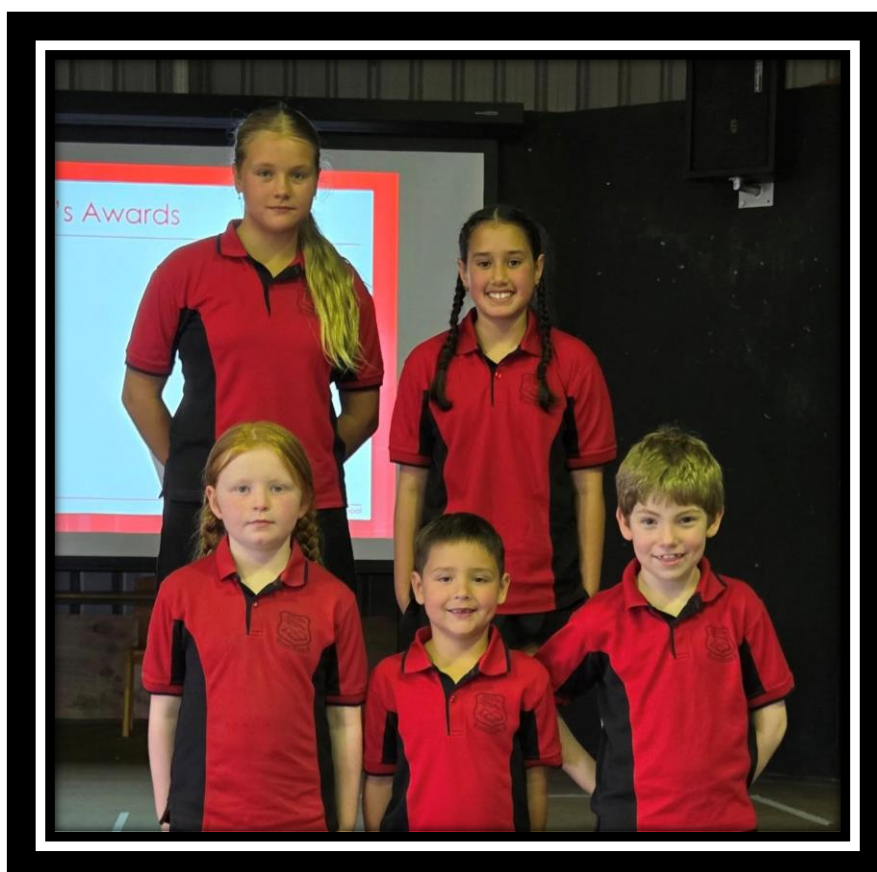

Kind regards  
Jo West, Principal
