

NSW SCHOOL OF LANGUAGES

How to Complete the Enrolment Application Form

Instructions on how to download, sign and save the NSW School of Languages (NSL) digital enrolment application form:

- **You do not need to print the form.**
- **Do not fill out the form whilst in a browser or on a mobile device, as the information may be lost.**
- Download the document and save it to your computer.
- Open the form using the free Adobe Reader.
If it is not installed on your computer, the free download is available on the [Adobe website](#)
- The student should complete Section 1 and digitally sign.
Refer to the [Digital signature quick start guide](#) on the **Enrolment application forms page**, under the heading, **Enrolment how-to guides**, for instructions on how to set up digital signatures.
- The student's parent/carer should complete Section 2 and digitally sign.
- The parent must email the form to the student's high school supervisor and confirm that it has been received and sent to NSL.

The student's high school ensures the information is complete, saves a copy for their records and uploads the form to the DEMS School Portal. **Please note** changes to the eligibility section are not permitted once the application is received.
