PRINCIPAL REPORT

Exciting New Playground Equipment

Earlier this year, we were delighted to receive a generous donation of over \$2,000 from the Old Church Boutique to purchase new playground equipment and games. This week, our students were thrilled to welcome a large delivery of fun and engaging new equipment. These additions offer a great variety of activities, encouraging inclusive and cooperative play during break times.

Regional Spelling Bee Success

On Monday, Cordie and Max represented our school at the regional finals of the NSW Premier's Spelling Bee. Both students improved on their performance from last year's finals - an outstanding achievement! Congratulations to Cordie and Max for their dedication and success.

Athletics Carnival Highlights

After some weather delays, we successfully held our annual Athletics Carnival last week. Thank you to all the families who joined us and helped make the day special. The event began with a spirited march by our two sports houses to the Recreation Ground. This year, Oakenville proudly took home both the marching trophy and the overall sports house championship.

From the carnival results, Cordie, Sebastian, and Harry have been selected to compete at today's Tamworth Zone Athletics Carnival, representing our school against other local schools. We wish them the best of luck!

Congratulations also to this year's age champions:

Minor Boy: Jake

Minor Girl: Luna

Junior Boy: Harry

Junior Girl: Isabelle

Senior Boy: Sebastian

Senior Girl: Cordie

Book Week Celebrations

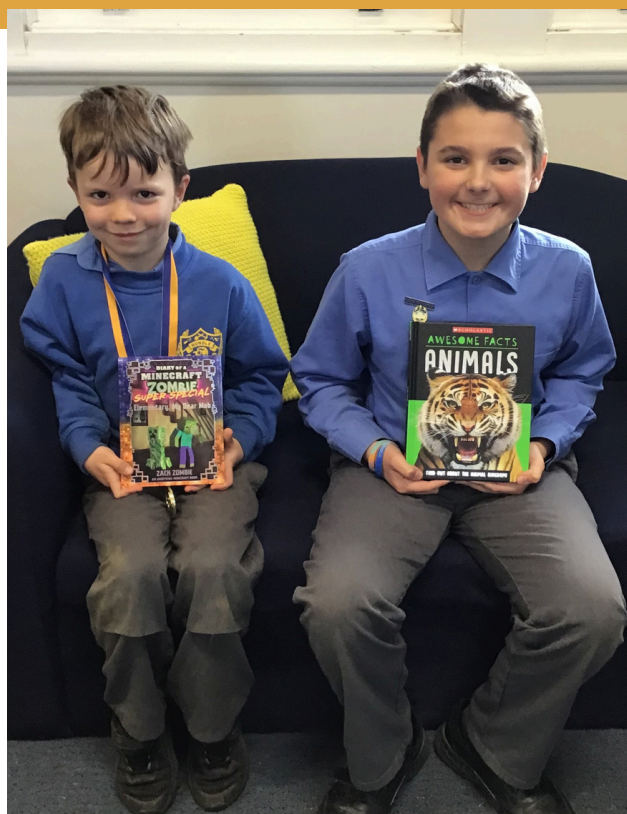

Next week, we will celebrate our love of books and reading with a range of exciting Book Week activities. Teachers will be sharing some of their favourite stories during break times, and a wide selection of books will be available at our Book Fair. The festivities will culminate in the much-loved Book Parade on Friday at 11:00am, where families and siblings are warmly invited to join us. Prizes will be awarded for each year group and visiting preschoolers. Following the parade, you are welcome to join us for a free BBQ lunch and purchase books from the book fair - proceeds will help us add new titles to our library. Both cash and card payments will be accepted. We look forward to seeing everyone there!

Staff CPR and Anaphylaxis Training

This week, our teachers and administrative staff completed their annual CPR and Anaphylaxis training. Steven from Royal Life Saving NSW led the session, providing thorough instruction on the correct use of EpiPens for anaphylaxis treatment. Staff were also assessed on their CPR skills. We are proud to confirm that 100% of our teaching and admin team are fully qualified in life-saving first aid, giving peace of mind to our entire school community.

Congratulations Jake and Ryda
for achieving the 100% attendance awards

MRS WORLEY'S K-1-2 CLASS HIGHLIGHTS

K/1/2 had a great time down at Woolomin Public School last week for the Jurassic Jack dinosaur show. Jack shared so many interesting facts about dinosaurs and fossils, plus he had some very cool little dinosaur puppet friends. They were very cheeky and really made us laugh! We got to have fruit break with the Woolomin and Dungowan children, so made some new friends too. It was amazing to find out about the dinosaurs who lived in this area millions of years before us!

In class we have been composing narratives and enjoying lots of beautiful picture books. Every day we practise our phonics readers. In maths we have been collecting and recording data, and practising tallying. We are always so busy!
Mrs Worley

OOSH outside of school hours care

We spent an afternoon enjoying the warmer weather playing soccer and doing cartwheels.

We made some little fairy houses to take home.

Chilly afternoon so we stayed indoors in the warm to play and colour in.

The game *What Am I* is always a popular game to play and gets them giggling and laughing with each other.

They enjoyed competing against each other in Cupstack Knockdown.

A Farrer student embodies confidence character and a sense of community

FARRER 2025 EXPERIENCE DAY

Join us

Year 5 boys interested in applying at Farrer Memorial Agricultural High School for Year 7 in 2027 are invited to join us for our Experience Day.

This is a great day to discover what it's like to be part of Australia's only selective agricultural high school for boys.

Students will engage in interactive classes, explore state-of-the-art facilities, make new friends and see what's possible. Learn about our broad curriculum which encompasses many career-focused opportunities in addition to agriculture.

Register on the [Farrer website](https://www.farrer.nsw.edu.au).
Limited spots available!

Good for kids
good for life

Game: Tricky Catches

Try this activity at home to challenge your coordination and practice the skill of catching.

You will need:

- 1 Different items to catch (e.g. a tennis ball, bean bags, frisbee, soft ball, large ball or a rolled up pair of socks).

How to play:

- 1 Find a space away from others and hold your throwing object.
- 1 Throw your object into the air and do a trick before catching it.

You could:

- See how many times you can spin in a circle
- See how many times you can clap
- Try to do a burpee
- Do a dance

Book Fair

We will be holding a book fair selling a selection of amazing new books to raise money for our school library

**Students, siblings & preschool students
are encouraged to dress up as their
favourite book character**

Fundraiser Beanie day

One of our local school communities are doing it tough at the moment. Camden Finn, a Year 6 students at Tamworth Public School, has been diagnosed with Brain Cancer.

The students, staff and Nundle Public School community are invited to wear their favourite Beanie this

Monday 18th August

and make a gold coin donation to support the fundraising efforts for Camden's family.

All money from this event will go directly to the Finn family to support Camden in his fight against brain cancer.
