Principal Report

Dear Students, Parents, and Staff,

We have had an exciting few weeks at our school, filled with activities that promote physical fitness, academic engagement, and community involvement.

Secondary Riverina Athletics
Brandon showcased his efforts and sportsmanship at the Secondary Riverina Athletics Carnival. He was a great representative for our school, coming up against high level athletes from around the Riverina. Congratulations to Brandon for his results and hard work!

STEM Kits
We are fortunate to be able to have the DoE T4L Robotics STEM kit in our school. These kits are designed to enhance students' learning experiences in science, technology, engineering, and mathematics through hands-on activities. Primary students have been exploring these resources and engaging in innovative projects that foster critical thinking and problem-solving skills. Secondary students will utilise the kits in Technology Mandatory next term.

Education Week
Education Week 2025 was a tremendous success, with many visitors coming along and celebrating teaching and learning in our school community. Students participated in open classrooms, showcasing their work to parents and visitors. It was heart warming to see the collaboration and creativity on display. Thank you to all staff and students who made this opportunity memorable!

NRL Skill Session
Our partnership with the National Rugby League (NRL) brought an exciting skills session to our school. Students had the opportunity to learn from retired professional players and refine their rugby skills. It was a fantastic way to promote physical activity and teamwork while having fun. We appreciate the NRL for their ongoing support and engagement with our students.

Evacuation Drill
Safety is our top priority, and we conducted a successful evacuation drill recently. Students and staff practiced our emergency procedures and demonstrated excellent understanding and cooperation. We appreciate everyone's participation and diligence in ensuring our school remains a safe environment for all.

Todd Woodbridge Tennis Cup
We are proud to announce that our school will be participating in the Todd Woodbridge Tennis Cup this term. This is an excellent opportunity for our students to compete against other schools and develop their tennis skills. Stage 2 attend this week and Stage 3 will demonstrate their skills in Week 5.

Fun Fact About Education
Did you know that research shows that students who participate in extracurricular activities, such as sports and clubs, tend to have higher academic performance and better social skills? Engaging in diverse activities helps students develop their talents and build a well-rounded character.

Thank you for your continued support and involvement in our school community.
Warm regards,

Melinda Elith
Courageous Relieving Principal
Oaklands Central School

Teacher contribution: Mrs Davis

Stage 4 LOTE

Ciao! Come stai? Mi chiamo Karen Davis, and I've taken on Stage 4 LOTE (Italian) this term.

At the end of last term, with the help of Mrs Bruce, we cooked up a storm and served a delicious three-course meal to families and community members. The students made pasta, lasagne, ice cream, and pizzas from scratch. We fired up the school pizza oven and decorated the hall beautifully to set the mood. Each student also presented a PowerPoint about Italy on the night.

A huge thank you to Mrs Bruce for teaching us how to make pasta and for providing stunning decorations that really contributed to the evening's atmosphere!

We're continuing to build on our Italian language skills, with students learning to:

· Name and identify colours
· Count to 100
· Learn the names of animals
· Engage in basic Italian conversations
· Name classroom objects

Stage 4 – Monday lunch

Every Monday, Stage 4 students cook and prepare lunch. So far, we've made:

· Pizza
· Pasta
· Fried chicken burgers

The students are not only gaining valuable culinary skills each week, but they're also loving the chance to enjoy their own creations!

Teacher contribution: Mrs Davis

Stage 4 Mathematics

This term, students are learning the basics of algebra. While it might not seem useful at first, algebra is used in many everyday tasks.

Real-life examples of algebra in action include:

· Farmers calculating sowing, fertiliser and spraying rates

· Truck owners estimating transport costs

· Home renovators working out quantities for paint, tiles or carpet

We will soon be putting our algebra skills into practice in our next unit on Measurement, where we will learn to calculate area, perimeter and volume, using formulas.

Stage 5 Mathematics

Stage 5 students are diving into proportion and rates, combining their algebra and graphing skills to explore:

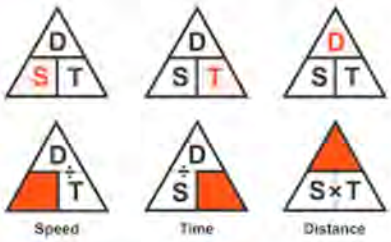
· Rates of pay

· Speed and distance

· Exchange rates

· Interest calculations

We will then move onto the mathematics of surveying – trigonometry and then to statistics.



Interest Formula

Simple Interest = P x r x t

Compound Interest = $P \times \left[\left(1+\frac{r}{n}\right)^{t \times n}-1\right]$

Stage 5 Food Technology

This term's focus is on Food Equity.

We've been discussing issues faced by countries like Singapore, where most food is imported. The COVID pandemic highlighted challenges with food distribution when borders were restricted. Students are investigating the many factors that affect a person's access to food.

Each week, Stage 5 students cook a two-course meal, which they then share with their peers.

BOOK AN Adventure

80 YEARS OF AUSTRALIAN STORIES

2025 Children's Book Week®
16–23 August

BOOK WEEK PARADE

THURSDAY 21ST AUGUST - 2.40PM

Get your costumes ready!
This year, The Children's Book Council of Australia is celebrating 80 years of Children's Book Week. The theme is

BOOK AN Adventure

Oaklands Central School will hold their annual Book Week parade on Thursday 21st August, 2.40pm, at the front of the school (grass area). All parents and families are invited to attend. There will be a Book Club prize for the best costume in Stage 1, Stage 2, Stage 3 and Secondary.

Mrs Southam
Organising Teacher

Stage 4 - Technology Mandatory

STAGE 4 - TECHNOLOGY MANDATORY

Tayan, Jack and Bella are proudly displaying their completed projects they made with Mr O'Donnell in Stage 4 Technology Mandatory. Tayan and Bella each with their coat hooks and Jack with his tool organiser.
During the making of their work, they have been learning to use the various equipment in our well stocked Industrial Arts classroom.

Items wanted

- Unused bathroom or kitchen tiles for a Primary mosaic project. Any colours or patterns would be appreciated.
- Old axe heads or splitter heads (handles not necessary)

Please drop into School Office if you can help
