Principal Report

Dear School Community,

We continue to move through Term 2 quite quickly. This fortnight we had students involved in extra-curricular activities as well as the great learning that has been happening in the classroom provided by our teachers.

Students in K-3 have been busy making their own short film, an adaptation of the classic children's book 'Where the Wild Things Are'. They look forward to sharing it at our next assembly.

Our Years 4-6 students have been print making in Visual Arts, creating interesting designs and works of art.

K-6 have also been practicing high jump and discus this week in preparation for the Athletics Carnival. While secondary have practiced javelin, high jump and discus.

Years 7-8 students have been working towards planning and preparing for the Italian Feast as part of LOTE at the end of the term, as well as building their woodwork skills in Technology Mandatory.

Years 9-10 students have been learning about diseases and the different pathogens in Science, which have made them double think about their own hygiene.

Lockdown Practice.

Last week, our students participated in a lockdown practice to ensure they are prepared for any emergency situation. The safety and wellbeing of our students is our top priority, and these drills help us to reinforce procedures and keep our school community safe. I encourage parents to discuss the practice with their children, emphasising the importance of being prepared.

Western Riverina Netball Trials

I am pleased to announce that Sophie represented our school at the Riverina Netball Trials last Friday in Wagga Wagga. Her hard work and dedication were evident, and we are proud of her achievements. What a great opportunity and experience from a small school!

TAFE Course Opportunities

We have been very fortunate for our Year 10 student, Hunter to have started a TVET TAFE course in Electrotechnology. These courses offer valuable skills and knowledge that can enhance their future career prospects. I encourage students to consider enrolling in the future and taking full advantage of these opportunities to gain practical experience and qualifications.

Attendance Importance

Lastly, I would like to remind everyone about the importance of school attendance. Regular attendance is crucial for academic success and social development. We ask for your support in ensuring that your child attends school consistently. If there are any concerns regarding attendance, please do not hesitate to reach out to our school team for assistance.

Thank you for your continued support and engagement with our school community. Together, we can ensure our students thrive both academically and personally.

Warm regards,

Melinda Elith
Relieving Principal

Thriving Women 2025

The poster features two women smiling. On the left is Lucy Bloom with a bright pink mohawk hairstyle. On the right is Stephanie Trethewey wearing a wide-brimmed hat. In the center, the text 'Thriving Women 2025' is displayed in a stylized font, with '2025' in large red letters. Above the text is a graphic of a tree with yellow and orange circular leaves. Below the main title, it says 'PRESENTED BY WOTL'. Overlaid on the bottom half of the image are three overlapping rectangular boxes: a red one with 'WOMEN', a white one with 'SHAPING', and a yellow one with 'AGRICULTURE'. At the bottom, there is a paragraph of text, two QR codes, and the event details.
