

School Contributions

Georges River College Oatley Senior Campus Contributions have been set as follows.

Resource Contributions – \$110

The Resource Contribution supports services and resources provided to students and families throughout the year. This includes student services such as attendance notifications (SMS), communication with parents and references; learning and assessment resources including printing, photocopying and examinations; student recognition such as certificates; school operations and facilities, including events like Presentation Day and Graduation and the upkeep of practical learning areas and outdoor spaces.

Subject Contributions

Families at our school are invited to support the high-quality education we provide through subject contributions to the school. We are very grateful for the ongoing support of our parents and carers, as these contributions enhance the learning opportunities, resources and experiences we are able to offer our students. These contributions assist with the cost of consumable items used in Stage 6 subjects. Please note that Support Unit contributions are paid separately, and TAFE fees, where applicable, are also charged separately.

Textbook Hire – \$50

The textbook hire covers one year and is payable at the beginning of each school year. Alternatively students can purchase textbooks privately. This is not refundable.

P & C School Support Contribution – \$40

Our Parents and Citizens (P&C) Association is a group of dedicated parents, carers and community members who work in partnership with the school to support students and enhance school life. The P&C plays an important role in strengthening the connection between families and the school while helping to create the best possible learning environment for our students. This voluntary P&C contribution directly supports initiatives that benefit the whole school. Funds raised are reinvested back into the school to provide additional resources, improve learning spaces and upgrade facilities that enhance students' educational experiences.

Locker Hire - \$40

School lockers are available for hire at \$40 for two years.

You Can Work Out Your Contribution Here

Name: _____ Year: _____

Resource Contributions	\$	110
Textbook	\$	50
P & C School Support	\$	40
Subject 1 _____	\$	_____
