Week 5 Term 3

2025

Giinagay.

As we move further into Term 4 and the warmth of summer approaches, it is important to remind our school community about staying safe and comfortable during the warmer months. With rising temperatures, we ask all students to prioritize staying well-hydrated throughout the day. Please encourage your children to bring a water bottle to school and drink regularly.

In addition to hydration, wearing the full school uniform remains essential. This includes enclosed shoes, which provide protection and support during play and outdoor activities. We also strongly encourage all students to wear their school hats every day to shield themselves from the sun and to help protect against insects. Thank you for your ongoing support in helping us maintain a safe and positive learning environment as we enjoy the summer season.

We are excited to announce the launch of our brand-new school website this week! We encourage all parents to explore the site to find important information, updates, and useful resources to support your child's learning and school involvement. Please take a moment to visit and familiarise yourself with the new features designed to make communication easier and keep you connected with everything happening at our school.

This Thursday afternoon, we are celebrating Robyn's commitment to our beautiful school. She has been an integral part of our environment and learning culture for the past 20+ years! Thank you Robyn for everything you have done, and everything you do for our beautiful school!

Kind Regards
Tasmyn Lessells
Principal

Bus safety

As we continue to prioritise the safety and wellbeing of all our students, I would like to take this opportunity to remind families about the importance of following expected behaviours on school buses. Safe and respectful behaviour while travelling to and from school is essential to ensure everyone's journey is comfortable and secure.

We encourage all students to:

- Follow the instructions of the bus driver and any supervising staff at all times.
- Remain seated while the bus is moving.
- Use quiet voices and refrain from distracting the driver.
- Keep hands, feet, and belongings to themselves.
- Respect the property of the bus and others.
- Wait patiently and safely at designated bus stops.

Parents can support us by discussing these expectations with their children and reinforcing the importance of behaving responsibly. Together, we can help maintain a safe environment that allows every student to travel confidently and safely.

Thank you for your ongoing support in keeping our school community safe.

Talent Quest Auditions – End of Year Presentation

Dear Students,

Are you ready to shine and showcase your unique talents? The Annual Talent Quest is back, and we're looking for performers to be part of our exciting End of Year Presentation!

If you have a special skill—whether it's singing, dancing, playing an instrument, magic, comedy, or any other talent, this is your chance to take the stage and impress your school community.

Auditions will be held on:

Monday & Thursdays

in the library

at second break

To sign up for auditions, please register your interest by seeing Bel or Tina at school.

Don't miss this opportunity to be part of a fun and memorable event. We can't wait to see what you've got!

Best of luck,

Tina & Bel
