Ms P's UPDATE

Dear Parents and Carers,

It's official - we are now currently in Swim School week, and the weeks are flying by! This is a very busy part of the term. Our teachers are currently preparing Semester 2 reports to keep you informed about your child's progress and achievements. These reports provide valuable insights and help us work together to support every student's learning journey.

I am pleased to announce that the school has a new website page. Please have a browse through, it is very user friendly. Any information you require is on our website, however if you can't find what you're looking for please ring the office.

PPS is also pleased to announce that we have a third teacher starting with us next year, Miss Collins, a much-needed addition to our school and we will give her a huge Pally welcome next year.

Attendance remains a priority - every day counts when it comes to learning and engagement. We encourage all students to attend school regularly to make the most of every opportunity.

Planning for 2026 is well underway as we continue to look ahead and ensure our school meets the needs of all students into the future.

Thank you to parents who completed the survey that was sent home. We appreciate your comments. Your feedback helps us understand what we're doing well and where we can improve. It's a team effort, and your input is important to us.
