Ms P's UPDATE

Welcome back everyone,

It has been an amazing start to our final term for 2025, with students returning to their learning with enthusiasm and dedication. We have a very full calendar this term, with Jumpstart students learning and preparing ready for schooling in 2026; Swim School; Year 6 farewell; and our Presentation, an opportunity to celebrate our students and acknowledge their ongoing commitment to learning and making our school the most incredible place to be each and every day.

Congratulations and well done to all students who performed their speeches at our annual Sandra Parson's Memorial Speech Night. You were all wonderful and a special congratulations to Indy Rose Simmonds for winning the overall first place trophy.

Next Friday year 5 students will be presenting speeches for Captain and Student Leaders. All students will then vote and elect a Captain and Student Leaders for 2026.

Parents, if you have an emergency and you need to drop students off at school prior to 8.30 please notify me. Please do not drop and go with speaking to me. I don't need to know your private circumstances only that you need to drop off early. School and staff hours are officially 8.30 – 3.30. Thankyou to the parents that do have prior arrangements with me.

JUMPSTART TRANSITION

Welcome back to Mrs Forsyth who has been travelling around Europe for 3 months with her husband John. What a amazing time they had. Jumpstart students have settled back into routine and were busy learning about the 'm' sound last week. They peeled mandarins and made play dough monkeys, following the step by step instructions from Mrs Forsyth. They all did an amazing job.

They also traced a monkey and found 8 animals hiding in the jungle. They danced and did some yoga about a butterfly.

Mrs Forsyth gave them 8 M and M's. We had to pick the colour she said and eat it. Brown, Yellow, Blue. As you can imagine this was a very popular session. They were very yummy! Mmmmm....
