TERM 3 WEEK 9 17 SEPTEMBER

PRINCIPAL'S MESSAGE

Cantabile Music Festival - Opera House

On Monday, 15 September our school choir, consisting of students in Years 5 and 6, delivered an outstanding performance at the prestigious Cantabile Music Festival held at the iconic Sydney Opera House. Led by the dedicated Mrs Walker and Miss Simpson, our young singers showcased an incredible display of vocal talent that left the audience captivated and proud.

The Cantabile Music Festival is renowned for bringing together some of the finest school choirs from across the region, providing a wonderful platform for students to demonstrate their musical skills and passion. This year, our choir embraced the opportunity with enthusiasm and professionalism, performing a carefully selected repertoire that highlighted their versatility and harmony.

Under the expert guidance of Mrs Walker and Miss Simpson, the choir rehearsed diligently for weeks leading up to the event. Their commitment to excellence was evident in the polished and emotive quality of the performance. The students' clear enunciation, pitch-perfect notes, and dynamic expression truly brought each song to life, creating an unforgettable experience for everyone present.

Performing at the Sydney Opera House, a world-renowned venue, was both an exciting and humbling experience for the choir members. The majestic surroundings added to the significance of the occasion, inspiring the students to give their very best!

Selective High School

Congratulations to Year 6 students, Lincoln Birch and Lakshay Muddana, for their outstanding achievement in securing positions at selective high schools for 2026. Their success is a testament to their hard work, dedication, and exceptional abilities, as they outperformed a competitive cohort of peers across the state.

Both Lincoln and Lakshay will be attending Hurlstone Agricultural High School. This opportunity will provide them with a rich learning environment to further develop their skills and pursue their interests.

Lincoln is an avid reader, he hopes to combine his love of science and engineering to possibly pursue a career in aerospace, whilst Lakshay hopes to study science and chemistry and become an astronaut. With the strong foundation they have built, there is no doubt they will continue to thrive and achieve their goals.

We celebrate Lincoln and Lakshay's remarkable accomplishments and look forward to watching their continued growth and success at Hurlstone Agricultural High School. Their achievements serve as an inspiration to their peers and a proud moment for their families, teachers, and the entire school community.

You are the unsung heroes who turn challenges into opportunities, ensuring that the school environment is welcoming, efficient, and nurturing.

From managing the countless details that keep our school ticking to providing essential support that empowers students to thrive, you are the steady foundation upon which success is built. Your kindness, patience, and professionalism create a space where students and staff alike feel valued and supported.

Thank you for being the glue that holds us together, for your flexibility in facing daily challenges, and for your genuine care that inspires us all.

BANKSTOWN PRINCIPAL'S NETWORK PROJECT – ACKNOWLEDGEMENT TO COUNTRY

This term our school was part of a special project with the Bankstown Principal's Network, which has 20 schools altogether. Each school had Indigenous students say a line from the Bankstown Network Acknowledgement to Country, and a film crew came out to record us.

We filmed our part in front of the new mural on the wall of C Block. My line was: *"Through these lessons, we are guided in our actions and decision."* I had to practise it a few times to make sure I got it perfect. Carter and Harper stood beside me while I spoke my line, which made me feel supported.

The film crew also took videos of different parts of our school, like the Yarning Circle, the Warami Garden, the Anzac Garden where we fly our flags, and our school buildings.

It was an exciting experience to be part of this project.

YEAR 4 STEM DAY AT PICNIC POINT HIGH SCHOOL

On Thursday, 28 August, all Year 4 students, accompanied by Mrs Morris, Mr Beattie, and Miss Potts, walked to Picnic Point High School to participate in a STEM Day. They joined fellow Year 4 students from Revesby South Public School, Tower Street Public School, and Milperra Public School for a day full of hands-on learning.

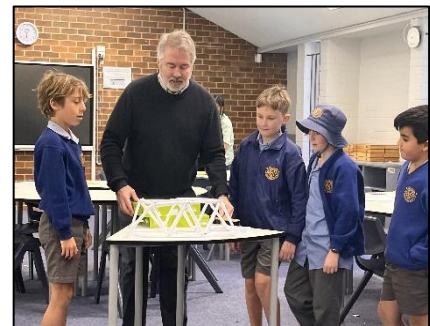

Students engaged in three practical STEM activities, focusing on teamwork and problem-solving. These activities included:

- Building a Bridge: Students used up to 20 pieces of A4 paper and sticky tape to construct a bridge that spanned 30cm and supported the weight of a ream of paper.
- Creating a Mechanical Arm: Using cardboard, students designed and built a mechanical arm capable of picking objects up.
- Designing a Paper Roller Coaster: Students designed and created their own paper roller coasters.

These activities highlighted the importance of Science, Technology, Engineering, and Maths in everyday life. Additionally, students had the opportunity to collaborate with Year 9 and Year 11 students from Picnic Point High School, gaining insight into high school life while tackling various design challenges together.

The STEM Day was a valuable experience that inspired creativity, critical thinking, and teamwork among our Year 4 students.

STEM Coordinator**

STAGE 3 NARRABEEN CAMP

From Monday, 1 September to Wednesday, 3 September our Stage 3 students attended Narrabeen Sport and Recreation Camp.

Some of the students have given a recount of their time at camp:

Aaliyah

"Stage 3 camp was EPIC! But what was my favourite activity? Starting off bushwalking as number 1, as much as I HATED being so high up, it was honestly kind of fun doing some outdoor activities.

Next would have been the "mini-Olympics night" doing fun activities rotating around, most fun of all was WE got to pick the music to play!!

And FINALLY! Archery tag, holding bow and arrows enjoying our time, the arrows striking us hurt a little, ouch!"

Mila

"5/6 camp was the best! I really enjoyed all the activities that we participated in! Some people learnt some new strengths, such as bike riding! Some people had a few falls along the way, but they got straight back up! My FAVOURITE activity was the hike. We got out and about and did some cool tactics to get up! There were these large rocks that we got to climb up!

My next favourite activity was the mini-Olympics! We got into groups of 10 and tried to get as many points as possible! My group won 456 points! It was super fun with all my friends!

Lastly, my third favourite activity was archery tag! We put cool masks on and got to shoot each other! We had a blast!

Can not wait for next year!"

Izaya

"Our camp adventure had to be the greatest amount of fun I've ever had! Here's why. Well, it all started when we arrived and saw the wonderful view of Narrabeen Lagoon. Then all our worries were satisfied after we were allowed to enter our cabins and hang out for a while. But the rest didn't last long because waiting for us was some of the most fun activities ever! Including archery, bushwalking, making damper, scootering, biking and orienteering. To round off my summary I'd like to thank ALL the teachers for giving up their own time to take us to camp."

Keira

"My favourite part of camp was archery tag and bike riding. Archery tag was fun because we learnt how to shoot an arrow. It was exciting dodging arrows and learning a new skill. Bike riding was one of my favourites because we were allowed to do obstacles on the bikes and ride over ramps. We also went on a longer bike ride to the water and back. Overall, the whole three days of camp were really fun and everyone had a great time."

Indiana

Stage 3 camp was the best! All the activities at camp were so fun and exciting to do. My favourite was archery tag and bike riding. When bike riding, we were able to ride over ramps and hills and it was fun. Archery tag we got to hide behind walls and shoot people from behind the opposite walls.

Caitlin

"Monday, Week 7 Term 3, Stage 3 went to camp at Narrabeen. It was so fun! My favourite things were: damper, bushwalking, hanging with friends and mini-Olympics. Hanging out in the cabins with my friends and making damper was so much fun. I definitely would love to go again next year! I was never bored, and the best part was doing it with my friends."

Luna

"Where to start? Camp was so fun. There were so many fun activities. Damper (cooking bread over a fire), Bushwalking, African night, Mini-Olympics, Scootering, Biking, Orienteering and Archery tag.

At camp you get to sleep in bunk beds with your friends, do fun activities with your friends. At camp my friends were in my cabin and the cabin next door so all we had to do was walk next door to see each other."

Lucy

"I loved camp at Narrabeen because I got to eat delicious food. My favourite was the Bolognese. I also loved the scootering. Scootering was my favourite. We did skills, and after the skills we rode the scooters along the footpath. Although the path was a little bumpy, it was still my favourite!"

Emily

"One of my favourite activities was bushwalking and cooking damper. These were my favourite because when we went bushwalking we got to climb up rocks, and it was really fun! There were also parts that had big hills, it was really tiring but super fun. When we got to the top it was such a nice view, we saw the lake and could see all of camp! On the way down we had to find sticks of all different sizes so that we could build our fire for damper."

CANTABILE MUSIC FESTIVAL 2025

On 15 September 2025, selected Year 5 and 6 students participated in the 2025 Cantabile Music Festival at The Sydney Opera House. The Festival is a celebration of the musical talent from all NSW Department of Education Primary and Secondary schools, showcasing the voices of over 650 New South Wales primary school children, as well showing the musical prowess of many primary and secondary students who performed in the orchestra, stage bands, or as soloists. The Festival highlighted not only musical excellence, but also the joy of collaboration.

Research indicates that participation in musical activities has a positive impact on academic achievement and student wellbeing. Events such as this also enables students to improve their confidence, develop their performance abilities, utilise and improve collaborative skills and develop an appreciation for the art of music.

The SNACK SHACK

This month, we interviewed a few volunteers from the canteen. They assist on a regular basis and love to share their motivation. These are the questions they were asked:

- 1) Are you a parent or another family member of one of our students?
- 2) Where do you volunteer, and how many hours a week do you help?
- 3) When you come in to help, what is it that you do?
- 4) Why do you volunteer?
- 5) What would you say to other parents & carers from the children of this school to encourage them to help as well?
- 6) What do you like the most about volunteering at the canteen?

Margaret:

- 1) Parent.
- 2) Canteen 1 day a week & uniform shop a few times per term, scripture teacher volunteer 1 session per week.
- 3) Lunch orders in canteen, clothes orders in uniform shop, teach scripture.
- 4) I love serving & helping where there is a need, I want to set the example for my kids to learn & follow.
- 5) Just help within your capacity, even an hour or two per week is a great help & the kids love seeing their family members around during school time.
- 6) The conversations I get to have with the students & the relationships I get to build with the other staff & volunteers in the school community.

Vikki:

- 1) Parent.
- 2) Canteen at least once a fortnight when I was studying, up to 3 days when I was out of work.
- 3) I sticker a lot of lunch bags, make sandwiches, rolls, wraps, recess and lunch service and sweeping.
- 4) It's in my blood. My parents were in the RFS and SES when I was younger. The whole family volunteered as marshall's for Motorsport, which I still do. And I volunteer with 3 Bridges for the Early Years Support Service.
- 5) It doesn't take a lot, every little bit helps, many hands make light work - and all that jazz. The kids get a kick out of parents in the canteen when they are younger, and you can embarrass the heck out of them when they are older, LOL!
- 6) Larah, Jo and Vicki are the best people and appreciate every minute you are able to help!

If you are interested and would like to help for an hour please contact the Canteen Manager, Larah on 0409 106 573.

With Term 4 approaching, we are excited to announce there will be 3 new additional items added as weekly specials!

- **New BBQ Chicken Pizzas** (original toppings still available),
- **Cheeseburgers**,
- **Grazing Plate**, with everyone's favourite items all on the one plate.

The days on which these items will be available are yet to be determined, however, Sushi will remain on Monday and Thursday and Sausage on a Roll will remain on Friday.

WALK AROUND THE WORLD

25 SEPTEMBER
