PRINCIPALS NEWS

TERM 2 WEEK 4

Another busy week at Picton High last week with a number of events occurring.

It was great to see a number of our Mum's who could make the afternoon tea that was put on by our wellbeing team last Tuesday. We appreciate all that you do to inspire and prepare your children and the support you provide every single day.

Last Wednesday was our annual athletics carnival held at Tahmoor sports grounds and what a fantastic day it was. Congratulations to all students who attended adding to the incredible atmosphere on the day. Congratulations also to our competitors and those who placed in their chosen events. We are excited to hear how you go at the zone level.

On Thursday, students who have been identified as high potential and gifted in the social emotional domain have been selected to participate in a leadership program led by deputy principal Mr O'Neill. This program includes a 10 week agenda culminating in a leadership camp later on in the year. Congratulations to the 30 students selected in year 10 and we look forward to continuing this into next term with year 9.

Last week was national careers week and it was very fitting that the week involved a student lead project run by our careers advisor Mr. Jones. This construction project involved our students designing and building custom made benches creating more seated areas in the shade.

Please be reminded that all students are expected to be in full school uniform every day. As the weather is starting to get colder, we are starting to see hooded jumpers, track pants and girls' tights creep in. Please be reminded that students who are not in the correct uniform will move through the school's wellbeing system with monitoring and detentions.

THE WEEK AHEAD

TERM 2 WEEK 4

What's happening in the Science classrooms?
Please find the summary of topics studied in our science classroom this term:

- Year 7- "Forces"- Physics
- Year 8- "It's Elemental"- Chemistry
- Year 9- "Disease"- Biology
- Year 10- "Moving world"- Physics

What's happening in the sporting arena?
We're proud to share some fantastic news from the sporting field this week!

AFL Success
A huge congratulations to the three students who represented our school at the CHS Boys and Girls AFL Carnivals. Your dedication and sportsmanship are commendable, and we're proud of your achievements!

City Cup Rugby League
Well done to our 13's and 15's Rugby League teams who competed in the City Cup on Wednesday. All players showed great effort, teamwork, and school spirit throughout the day.

A special congratulations to our Under 13's team, who went undefeated and won all their games! Their hard work has earned them a spot in the next level of competition – an incredible achievement!

Thank you to our coaches, staff, and supporters for making these opportunities possible. We look forward to cheering on our teams in the next stages of competition.

Stay dry and have a great week ahead!
