PICTON HIGH SCHOOL

PRINCIPALS NEWS

TERM 2 WEEK 8

I hope you are having a relaxing weekend. Please find an update for week 8 of the term.

Our Annual General meeting for the P&C was postponed a couple of weeks back. The new date will be Wednesday 25th June onsite at Picton High School. I would encourage all those who can make it to attend.

Last week we saw several students receive the Bronze Award as part of the new merit award system at Picton High School. It was great to see so many students achieve this award in the first half of the year of its introduction. What was even more pleasing to see was the number of students who are almost at the point of achieving this award. I encourage all students to keep striving for these awards with a focus on their learning and high expectations.

Thank you all for your support in expecting your children to attend school in full school uniform. We have received a number of positive comments from community members observing our students at both Tahmoor and Picton shops looking great in their uniform. We will continue to expect all students in uniform every day.

We are undergoing a number of maintenance projects around the school of which we hope to have finished soon. These include:

Outdoor assembly stage area. We have recently had a new ramp installed for access to the stage for all students. We are now waiting for handrails to be installed and it will be ready for use.
Completion of front entry gate into the staff carpark
Due to recent rains our Tiered Learning Centre is out of action. We are waiting on some investigative work to be completed to find out where the water is getting in. This is a valuable resource for our students in particular our VET entertainment cohort.
With recent events being held in and around the hall at night we have noticed the night lights not working. We are getting these rectified for our next parent event at night being the subject selection night, Tuesday Week 6 next term.

THE WEEK AHEAD

	Yr 12 Interruption Free Week all week
Monday 16/6/25	Macarthur Zone Opens Netball
