PICTON HIGH SCHOOL

PRINCIPALS NEWS

Term 4 Week 10

Thank you to all of our parents that could attend Tuesday nights annual sports presentation awards night. It was fantastic to see all of our students receive their awards in their chosen fields. It is always great to see so many students receive awards and I would like to thank the PDHPE staff and all other coaches for their efforts and organisation throughout the year providing countless opportunities for our students. I am looking forward already to 2026 for bigger and better achievements.

This coming Tuesday will be our annual academic assembly where students will be recognised in the areas of academic, leadership and persistent effort throughout 2025. Congratulation to all of our students who will receive an award on Tuesday. I look forward to seeing more of our parents at this event also.

For those who got a snippet of the light up Tahmoor event on Thursday you would of noticed our entertainment students and staff once again supporting our community. Although the weather was not kind, I would like to thank our senior entertainment students and our staff for their commitment to this event. Hopefully, next year the weather is kinder to us and our students get to showcase their skills in this area.

Please be reminded that tomorrow is our end of year excursion day. If you have not already paid or given permission for your child to attend unfortunately, they will not be able to go along tomorrow. There will be small group organisation for students who are not attending the excursions.

For all our Year 12 students eagerly awaiting their HSC results, please be reminded that they will be released on Thursday 18th of December. Good luck to all of our Year 12 students and I look forward to seeing some great results later this week.

Please be reminded that school starts back up for all year groups next year on Monday 2nd February.

I would like to thank you all for your support throughout 2025. It has been another big year of learning and growth at Picton High School, and I look forward to working with you and supporting your children for another year in 2026. Have a great Christmas and summer break, stay safe and see you all back next year.
