Principal's News

Term 1, Week 7 2026

Please find an update for Week 7 of the term.

The first P&C meeting for the year was held on Monday in the school Library. I would like to thank Mrs Lisa Davenport who has been the secretary for a number of years now and has made the decision to step down. There have been a significant number of initiatives and resources that afforded to students whilst Lisa has been in this position. Thank you Lisa. This opens up an opportunity for any of our parents interested in becoming the P&C secretary. If you are interested in nominating yourself please contact our front office on 46771242 and your details will be passed on to the P&C president, Mr Scott Hogan.

It is a big week and a half coming up for our Year 7 and 9 students as NAPLAN for 2026 begins. For parents of Year 7 and 9, please be reminded that NAPLAN testing begins this week on Wednesday as all Year 7 and 9 complete the writing test and then the remainder of their tests up until the end of Week 8. I would like to wish all our students the best of luck over this period and encourage them to try their best.

For parents of Year 7, 11 and 12, please be reminded parent teacher night will be held on Tuesday March 31st with times from 3pm up until 6:30pm. Booking information will be sent to all parents in these years groups by the end of the week. Yr 8, 9 and 10 parent teacher night will be held later in Term 2.

To ensure all students get home safely and smoothly of an afternoon, only those students that are being picked up or walking home should exit the school when the afternoon bell goes. Any student that is waiting for the bus should remain on school grounds. Similarly in the morning, once a student enters school grounds they will not be permitted to exit unless permission has been given by their parent. I appreciate your support in talking to your children about this matter to ensure the safety of all.
