Principal's News

Term 1, Week 8 2026

I would like to congratulate our Year 7 students for their behaviour and patience on Wednesday during the statewide glich to during the writing test for NAPLAN. Thanks to our Literacy and Numeracy team also for their quick response and reorganisation to have all writing tests completed across Year 7 and 9 last Thursday.

NAPLAN continues tomorrow with students in **7E, 7F, 7G and 7H** and 9Y completing the Reading test. Year 7 students need to make their way to the under croft after roll call/ assembly. Students in the 9Y line need to make their way directly to the under croft after Lunch 1.

Parents of Year 7,8 and 11 students would have received information via email on how to book appointments for the Yr 7,11,12 parent teacher night on Tuesday 31st March. Please note it runs from 3:00pm to 6:30pm.

On Friday we had a number of our music and entertainment students perform outside in the playground during Lunch 1 break. There was some amazing talent on display and it was great to see so many students sitting around during their break enjoying the performances. It was a great way to end the week.
