Principal's News

Term 2, Week 3 2026

No doubt you would have heard that sadly one of our Year 8 students Andre Maiorana passed away last week. We offer our deepest condolences to his family and I know the entire community are thinking of them during this challenging time. Andre had a profound impact on all those around him and will be deeply missed. Please note students will be able to access support if they require it through our wellbeing team this week. If you are concerned for your child please contact the school office and arrange to speak to one of the members of our wellbeing team.

I would like to thank all our students and staff for their patience and support whilst we were without water on Wednesday morning. As you could imagine, this presented many challenges however the support shown certainly made it easier. I would like to sincerely thank Wollondilly Leisure centre for allowing our students to be taken down during this periods and utilise their bathroom facilities.

Thank you to those of you who could make the Year 12 Bingo Fundraiser on Friday night. I have heard it was a great success. Well done to our Year 12 team for their initiative and creativity to bring the community together at an event like this.

Athletics Carnival will be held this coming Friday at Tahmoor sports ground. Parents are welcome to come along and watch their children compete.
